

Sports Premium Funding 2016/17

At Cookridge Primary School over the last few years we have spent a lot of time improving the quality of our PE provision and increasing sporting opportunities for all pupils. We offer a wide variety of experiences, have access to good quality teaching/coaching and take part in a lot of competitive sport.

What is the PE & Sport Premium for primary schools?

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. Schools receive the funding based on the number of pupils in years 1 to 6. Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

The 2016-2017 Sport Premium funding for our school was received in two separate payments.	
• PE Grant Payment (Financial Year 2016)	£5000
• PE Grant Payment (Financial Year 2017)	£3890
Total Amount = 8890	

How will Cookridge use their money in 2016/17?
