

The impact of Sports Premium Funding 2018/19

What is the PE & Sport Premium for primary schools?

The PE and sport premium is designed to help primary schools improve the quality of the PE and sport activities they offer their pupils. Schools receive the funding based on the number of pupils in years 1 to 6. Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money.

The 2017-2018 Sport Premium funding for our school is received in two separate payments.	
PE Grant Payment (October 2018)	£6657
PE Grant Payment (March 2019)	£9333
Total Amount = £15990
