Reading Fluency

Read **three times** a week with an adult and get them to sign your planner EACH time you read, with the title, page number and a comment. Remember, reading signatures mean you climb the class reading wall and earn team points!

Reading with R.I.C.

Read the short extract then answer the RIC questions underneath.

Remember:

Retrieve – the answer is in the text. Circle or underline key words in the question then scan to find them in the text. Read around them to find the answer.

Interpret – the answer may not be in the text and you have to work it out. Use clues in the text and your background knowledge to develop an answer – use evidence to back up your idea if asked to!

Choice – you have to think like an author. Comment on the author's choice of vocabulary or layout and the impact this has on the reader or text.

Maths Homework

Complete your awesome arithmetic sheet using what you have learnt in class.

One day, a lion was asleep in the wood. A mouse came along. The mouse didn't see the lion and ran across the lion's nose. The lion woke up. He was cross with the mouse. "You woke me up!" roared the lion. The mouse was scared. "Please let me go!" said the mouse. "If you let me go, I will repay you one day."

"You are funny" said the lion. "How could a mouse help a lion?" The lion laughed and let the mouse go home. Some days later, the lion was caught in a hunter's net. He couldn't get out.
