Reading Fluency

Read **three times** a week with an adult and get them to sign your planner EACH time you read, with the title, page number and a comment. Remember, reading signatures mean you climb the class reading wall and earn team points!

Reading with R.I.C.

Read the short extract then answer the RIC questions underneath.

Remember:

- R**etrieve – the answer is in the text. Circle or underline key words in the question then scan to find them in the text. Read around them to find the answer.
- I**nterpret – the answer may not be in the text and you have to work it out. Use clues in the text and your background knowledge to develop an answer – use evidence to back up your idea if asked to!
- C**hoice – you have to think like an author. Comment on the author's choice of vocabulary or layout and the impact this has on the reader or text.

Maths Homework

Complete your awesome arithmetic sheet using what you have learnt in class. We have been learning all about Place Value of a number.

"I'm Captain Hook!"

"No, I'm Captain Hook!"

"I'm Captain Hook," said Horrid Henry.

"I'm Captain Hook!" said Moody Margaret.

They glared at each other. "It's **my** hook," said Moody Margaret.

Moody Margaret lived next door. She did not like Horrid Henry and Horrid Henry did not like her. However, when Rude Ralph was busy, Clever Clare had flu and Sour Susan was her enemy, Margaret would quickly jump over the wall to play with Henry.

"Actually, it's my turn to be Hook now," said Perfect Peter. "I've been the prisoner for such a long time."

"Prisoner, be quiet!" said Henry.

"Prisoner, walk the plank!" said Margaret.

"But I've walked fourteen times already," said Peter. "Please can I be Hook now?"

1. Who did Moody Margaret and Horrid Henry both want to be?

2. Moody Margaret only played with Horrid Henry when who else was busy?

3. What was Perfect Peter pretending to be?

4. What had Perfect Peter done 14 times?
