

# AWESOME ARITHMETIC!

Use your learning from this week's maths to solve the problems.

$$78p - 35p =$$

$$28 + 48 =$$

I had 93p in my pocket. I bought 2 sweets for 27p. How much did I have left?

$$23 + ? = 50$$

$$78 + 56 =$$

$$62 - 47 =$$
