

# **Year 2 Homework**

All English and maths homework is to be completed by:

### Monday 25<sup>th</sup> November 2019

# **Reading Fluency**

Read **three times** a week with an adult and get them to sign your planner EACH time you read, with the title, page number and a comment. Remember, reading signatures mean you climb the class reading wall and earn team points!

## Reading with R.I.C.

Read the short extract then answer the RIC questions underneath.

#### Remember:

Retrieve – the answer is in the text. Circle or underline key words in the question then scan to find them in the text. Read around them to find the answer.

Interpret – the answer may not be in the text and you have to work it out. Use clues in the text and your background knowledge to develop an answer – use evidence to back up your idea if asked to!

Choice – you have to think like an author. Comment on the author's choice of vocabulary or layout and the impact this has on the reader or text.

## **Maths Homework**

Complete your awesome arithmetic sheet using what you have learnt in class. We have been learning all about addition and subtraction.

Read the text all about Motte and Bailey Castles and answer the questions below.

The text is on a separate sheet of paper.

| 1. Why were the sides of the motte steep? Tick one.    because it looked better   to make it difficult to attack   so the keep was hidden   2. What was found on top of the motte?
