Reading Homework

Reading Fluency

Read **three times** a week with an adult and get them to sign your planner EACH time you read, with the title, page number and a comment. Remember, reading signatures mean you climb the class reading wall and earn team points! Reading journals need to be handed in on a Monday with your homework with three signatures.

Reading with R.I.C.

Read the short extract on your English page then answer the RIC questions underneath.

Remember:

- R**etrieve – the answer is in the text. Circle or underline key words in the question then scan to find them in the text. Read around them to find the answer.
- I**nterpret – the answer may not be in the text and you have to work it out. Use clues in the text and your background knowledge to develop an answer – use evidence to back up your idea if asked to!
- C**hoice – you have to think like an author. Comment on the author’s choice of vocabulary or layout and the impact this has on the reader or text.

Spelling and Grammar Fluency

On your English page, complete the spelling and grammar goal activities just like we do in class! Read the questions carefully and remember those spelling rules.

Maths Homework

Using your CGP maths times table book, complete the page identified below. Times tables are a fundamental skill that underpins lots of areas of maths and it’s crucial for you to know them, including the inverse and how to solve times tables problems. Remember, you can ask your parents and carers to help you!
