

Miss Rushworth's Weekly Challenge Box!

Challenge 1:

Choose a traditional tale that you know, or create your own new one, to put on as a puppet show. Design a poster to advertise your show.

Challenge 2:

Make your own puppets to act out your story. You could make finger puppets, stick puppets or even sock puppets!

Tip: Make sure you use a loud and clear voice when you are acting your story out so your audience can hear you.

Challenge 3:

Choose how much a ticket to your show should cost and run the ticket office for your performance so your family can buy tickets. Make sure they pay the correct amount!

Tip: Make sure you know which coins your family need to pay with to buy each ticket.

Celebrate your achievements by posting them on Tapestry!
