

Miss Rushworth's Weekly Challenge Box!

Challenge 1:

How many points can you score in this game? Create shapes on the floor and write a number in each one. Throw a beanbag or soft toy and if it lands in a shape you get that many points.

Tip: Remember you can use objects, draw pictures or use a number line to help adding points.

Challenge 2:

Create your own obstacle/assault course! This could be inside or outside and needs to include lots of different ways of moving.

under along over
jump crawl through
hop throw

Bonus question: Can you explain clearly to someone at home how to complete your course?

Challenge 3:

I can't decide what game I should play next and need help choosing. Can you write a sentence to tell me which is your favourite game and why?

Tip: Make sure you segment every word carefully and use your phonics mat to help.

Celebrate your achievements by posting them on Tapestry!
