

Miss Rushworth's Weekly Challenge Box!

Challenge 1:

Can you play the flower planting game? This game is a race to fill your garden! Take turns to roll a dice and then draw that many flowers on your picture. The first person to draw 20 flowers wins!

Bonus question: Can you write a number sentence each time you roll the dice?

Challenge 2:

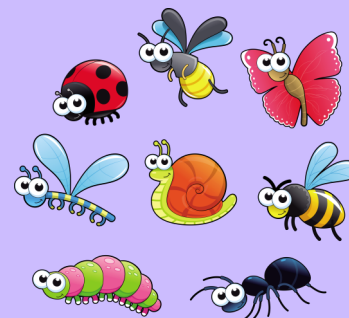

Can you draw and colour a butterfly? Use different shapes and colours to create patterns on the wings. Remember, butterflies have the same pattern on both wings.

Tip: You can use a mirror or fold the paper in half to help make the butterfly symmetrical.

Challenge 3:

Can you write a sentence to describe an insect? You could include the number of legs, colour or if it has wings.

Tip: Make sure you segment every word carefully and use your phonics mat to help.

Celebrate your achievements by posting them on Tapestry!
