

Dear Miss Barnicoat,

How are you ? It was nice to talk to you yesterday.

Here are things I have done and I am still doing.

I am working on my short story for the robot competition. And I am doing mathletics, tt rock stars and maths factor. I am also doing spelling shed on the iPad

I have a kit to grow triops and I have a triop that is very big already

I play lots of table football

and I jump lots on the trampoline

This is Jimmy and he is only 10 months old. We walk him every day

This is some of the art I have done.

And I do excersizes too.

I miss school and can't wait to be back.

Yanna
