

KS1 Learning Log Homework

Please find below a list of activities related to our new topic: **Africa**. These activities are ***entirely optional*** but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations. Please send into school.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>5 Team Point Activities</u>	<u>10 Team Point Activities</u>
Science	Being healthy Can you create a poster or leaflet to describe the importance of exercise, eating well and hygiene for humans?	Create a skeleton Showing us in any way possible, can you identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense?	Zoo swap Can you create your own animal made of lots of different animals? You could cut out and stick together different pictures of animals or use your ICT cutting and pasting skills. You could also make your new animal from modelling clay, draw it or make it from things you find in nature. Can you design, draw or create a model of the animal's habitat, and then explain why your animal is suited to its environment, thinking about what your animal will need to survive?
English	Can you create a leaflet about different African animals?	Can you create a fact file about Nelson Mandela?	Can you write a story set in Africa? Think about the setting,

			characters and use of adjectives.
Geography	Can you make a list of different countries using the alphabet? A- Africa B- Bosnia C- Canada	Can you find 3 differences between England and Africa?	Can you find Africa on google maps or in an Atlas? And name 3 countries.
Art/DT	Can you sketch a picture of your favourite African?	Can you create an African sunset using a range of materials?	Can you create a diorama of an African environment?

Thank you for continuing to support your child's education during this difficult time
