

Home Learning - Session 3

UKS2 - writing

Jurassic park leaflet

Your write this week is a leaflet advertising your very own Jurassic Park!

To ensure you are hitting the expected standard for your year group, you must include the relevant grammar goals.

Refer to your grammar goal work from session 1.

UKS2 - Create your theme park!

Today you are going to be creating a map of your theme park. You can use paper or do this using suitable software on the computer.

Think carefully about areas that a theme park would need, such as: food areas, thrill rides, kids section and shops!

Use the resources provided to give you some further ideas.
