

# **Year One - English**

Each day your child will have:

- A handwriting task to complete.
- An English challenge to complete.
- Optional extra tasks.

# Handwriting

Our Learning Objective:

**Writing—POS1—H1**

Most of my lower case, capital letters and numerals (0-9) are written in the correct direction, starting and finishing in the right place.

We are focusing on the main four handwriting actions.

What can I hear?	
Draw a picture of the weather:	

## English Task

### Make a Rain Gauge

#### You will need:

- Empty 2-litre plastic bottle
- 30cm ruler
- Marker pen
- Sharp scissors
- Sticky tape

Follow the instructions and make your own

#### Instructions

1. Holding the ruler against the plastic bottle, use a marker pen to draw a line on the bottle every centimetre. Make sure you mark on the number of centimetres, too! Do this until you reach 20 centimetres.
2. Carefully (and with an adult's help), use the scissors to pierce a hole in the bottle above the 20cm line.
3. Starting at this hole, cut all the way around the bottle until the top part comes off. Be careful! The plastic edges can be sharp.
4. Add some sticky tape over the rim of both parts of the bottle to protect your hands from the sharp edges.
5. Take the top of the bottle that you have just cut off and put it, upside down, in the top of the bottle.
6. Stand your bottle somewhere sturdy so it doesn't topple over and wait for a rainy day!
