1. Aims

1.1 The school aims to ensure that:

- Appropriate action is taken in a timely manner to safeguard and promote children's welfare
- All staff are aware of their statutory responsibilities with respect to safeguarding
- Staff are properly trained in recognising and reporting safeguarding issues
- 1.2 The Governing Board and staff of Cookridge Primary (hereinafter referred to as "the school") take as our first priority the responsibility to safeguard and promote the welfare of our pupils, to minimise risk and to work together with other agencies to ensure rigorous arrangements are in place within our school to identify, assess and support those children who are suffering harm and to keep them safe and secure whilst in our care.
- 1.3 The responsibilities set out in this policy apply (as appropriate) to all members of the school community including pupils, staff, governors, visitors/contractors, volunteers, supply staff and trainees working within the school. It is fully incorporated into the whole school/college ethos and is underpinned throughout the teaching of the curriculum, within PSHE and within the safety of the physical environment provided for the pupils.

2. Legislation and guidance

- 2.1 This policy is based on the Department for Education's statutory guidance, Keeping Children Safe in Education (KCSIE) 2020 and Working Together to Safeguard Children (WTTSC 2018) and the Governance Handbook. We comply with this guidance and the procedures set out by our Local Safeguarding Children partnership (LSCP).
- 2.2 This policy is also based on the following legislation and guidance:

Section 175 of the <u>Education Act 2002</u>, which places a duty on schools and local authorities to safeguard and promote the welfare of pupils

The School Staffing (England) Regulations 2009, which set out what must be recorded on the single central record and the requirement for at least one person on a school interview/appointment panel to be trained in safer recruitment techniques

The Children Act 1989 (and 2004 amendment), which provides a framework for the care and protection of children

Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the <u>Serious Crime Act 2015</u>, which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18

<u>Statutory guidance on FGM</u>, which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM

The Rehabilitation of Offenders Act 1974, which outlines when people with criminal convictions can work with children

Schedule 4 of the <u>Safeguarding Vulnerable Groups Act 2006</u>, which defines what 'regulated activity' is in relation to children

Statutory <u>Guidance on the Prevent duty</u>, which explains schools' duties under the Counter-Terrorism and Security Act 2015 with respect to protecting people from the risk of radicalisation and extremism

Guidance for safer working practice for those working with children and young people in education settings (GSWP) (Safer Recruitment Consortium May 2019)

Children Missing Education – Statutory guidance for local authorities (DfE September 2016)

This policy conforms to locally agreed inter-agency procedures and has been ratified by the LSCP Education Reference Group. It is available to all interested parties on our website and on request from the main school office. It must be read in conjunction with other relevant policies and procedures and KCSiE.

The <u>Childcare (Disqualification) Regulations 2018</u> and <u>Childcare Act 2006</u>, which set out who is disqualified from working with children

3. Definitions

3.1 Safeguarding and promoting the welfare of children means:

- Protecting children from maltreatment
- Preventing impairment of children's mental or physical health or development
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care
- Taking action to enable all children to have the best outcomes
- 3.2 **Child protection** is part of this definition and refers to activities undertaken to prevent children suffering, or being likely to suffer, significant harm.
- 3.3 Appendix 1 explains the different types and indicators of abuse.

3.4 Children includes everyone under the age of 18.

4. Equality statement

4.1 Some children have an increased risk of abuse, and additional barriers can exist for some children with respect to recognising or disclosing it. We are committed to antidiscriminatory practice and recognise children's diverse circumstances. We ensure that all children have the same protection, regardless of any barriers they may face.

4.2 We give special consideration to children who:

- Have special educational needs or disabilities
- Are young carers

- May experience discrimination due to their race, ethnicity, disability, religion, gender reassignment, sex or sexual orientation.
- Have English as an additional language
- Are known to be living in difficult situations for example, temporary accommodation or where there are issues such as substance abuse or domestic violence
- Are at risk of FGM, sexual exploitation, forced marriage, or radicalisation
- Are asylum seekers

5. Roles and responsibilities

5.1 Safeguarding and child protection is **everyone's** responsibility. This policy applies to all staff (including those not directly employed by the school), volunteers, and governors in the school. Our policy and procedures also apply to extended school and off-site activities.

5.2 All staff

5.2.1 All staff will read and understand part 1 and Annex A of the Department for Education's statutory safeguarding guidance, <u>Keeping Children Safe in Education</u>, and review this guidance at least annually.

5.2.2 All staff will be aware of:

- Our systems which support safeguarding, including reading and understanding their professional responsibilities as outlined in Guidance for Safer Working Practice (2019/2020), understanding the role of the designated safeguarding lead (DSL), reading and understanding the behaviour policy, and their safeguarding responses to children who go missing from education during the school day or otherwise.
- The early help process and their role in it, including identifying emerging problems, liaising with the DSL, and sharing information with other professionals to support early identification and assessment.
- That children's behaviours can be indicative of their emotional wellbeing and can be linked to mental health. They should be aware of behaviours that may communicate that poor wellbeing <u>can</u> be an indicator of factors such as abuse, neglect or exploitation. Staff should understand the children's experiences such of abuse, neglect and adverse childhood experiences can impact on children's mental health, behaviour & education.
- The process for making referrals to local authority children's social work service (CSWS) and for statutory assessments that may follow a referral, including the role they might be expected to play. Fig 1: Summary of in-school procedures to follow where there are concerns about a child (Page 13) illustrates the procedure to follow if you have concerns about a child's welfare. Wherever possible, speak to the DSL, deputy DSL or head teacher (in the absence of a DSL) first to agree a course of action. In the absence of a DSL or head teacher being available, staff must not delay in directly contacting children's social work duty and advice team or the police if they believe a child is at immediate risk of significant harm.
- Our work in partnership with other agencies in the best interests of the children. Requests for service to CSWS will (wherever possible) be made by the Safeguarding Designated Staff, to the CSWS advice and duty team (0113)

3760336). Where a child already has a child protection social worker, the school will immediately contact the social worker involved or in their absence, the team manager of the child protection social worker.

- In school procedures for recording any cause for concerns and passing information on to DSLs in accordance with school's recording systems.
- The signs of different types of abuse and neglect, as well as specific safeguarding issues, such as child sexual exploitation (CSE), child criminal exploitation (CCE) FGM, radicalisation and serious and violent crime. All staff to be aware safeguarding incidents/ behaviours can occur outside school or college or be associated with outside factors CSE and CCE are forms of abuse and both occur where an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into sexual or criminal activity.
- Children missing education/absconding during the school day can also be a sign of CCE, including involvement in County Lines.

Appendix 1 details different kinds of abuse.

Appendix 2 provides guidance to staff on how to respond to children who report abuse

• Ensuring the relevant staffing ratios are met, where applicable

6 Confidentiality and Information Sharing

- 6.1 Confidentiality is an issue that needs to be understood by all those working with children, particularly in the context of safeguarding.
- 6.2 School recognises that the only purpose of confidentiality in this respect is to benefit the child. Staff/volunteers and visitors to school should never promise a child that they will not tell anyone about an allegation/report of abuse, and must pass any cause for concerns immediately to a designated safeguarding lead.
- 6.3 Confidentiality is addressed throughout this policy with respect to record-keeping (see section 10), dealing with reports of abuse (see Appendix 2), allegations of abuse against staff (see section 10.2), information sharing (see section 6.4) and working with parents (see section 6.5).

6.4 Information sharing

- 6.4.1 Timely information sharing is essential for effective safeguarding. This school/college will share safeguarding information as appropriate in keeping with the principles outlined in the government guidance document, <u>Information sharing:</u> Advice for practitioners providing safeguarding services to children, young people, parents and carers (DfE 2018). This guidance has been produced to support practitioners in the decisions they take to share information, which reduces the risk of harm to children and young people and promotes their well-being.
- 6.4.2 All staff must have due regard for the relevant data protection principles which allow them to share (in the context of their role) and withhold personal information, as provided for the in the Data Protection Act 2018 and GDPR.

6.5 Working with parents and other agencies to protect children

- 6.5.1 Parents/carers will be made aware of our in-school procedures in respect to taking any reasonable action to safeguard the welfare of its pupils. In cases where the school has reason to be concerned that a child may be suffering significant harm, ill treatment or neglect or other forms of harm, staff will follow the procedures for responding to suspected cases of child abuse or neglect outlined in this policy document and contact CSWS Duty and Advice team to discuss their concerns.
- 6.5.2 In keeping with KCSIE, we will endeavour wherever possible to obtain at least two emergency contacts for every child in the school in case of emergencies, and in case there are welfare concerns at the home.
- 6.5.3 In general, we will discuss concerns with parents/carers before approaching other agencies and will seek to inform parents/carers and receive their consent when making a referral to another agency. Appropriate staff will approach parents/carers after consultation with the DSL. The exception to this rule will be in situations where a member of staff has reasonable cause to believe that informing parents/carers of a referral to another agency may increase the risk of significant harm to the child.
- 6.5.4 Parents/carers are informed about our Safeguarding & Child Protection policy through: school prospectus, website, newsletters etc. A safeguarding & child protection statement is prominent in the school foyer/reception area.

6.6 Multi-agency work

- 6.6.1 We will co-operate with CSWS in accordance with the requirements of the Children Act and allow access to child and child protection records for them to conduct section 17 or section 47 assessments.
- 6.6.2 In the best interests of our pupils, we will work with all relevant professionals and agencies as required to safeguard children and promote their welfare.

7 Our role in the prevention of abuse

We will identify and provide opportunities for children to develop skills, concepts, attitudes and knowledge to promote their safety and well-being.

7.1 Opportunities to teach safeguarding

- 7.1.1 As part of providing a broad and balanced curriculum relevant issues will be addressed through the PSHE curriculum, including self-esteem, emotional literacy, assertiveness, power, relationship and sex education, online safety, online bullying, sexting, child exploitation (CSE/CCE), youth generated images, female genital mutilation (FGM), preventing radicalisation, peer on peer abuse, consent, online safety, anti- bullying, unhealthy and abusive family relationships. The curriculum will reflect the statutory Relationship Education, Relationship and Sex Education and Health Education (DfE 2020). Further support can be obtained from the Health & Wellbeing Service (schoolwellbeing@leeds.gov.uk).
- 7.1.2 Relevant issues will be addressed through other areas of the curriculum. For example, circle time, English, History, Drama, PSHE, Art and assemblies.

7.2 Other areas of work

- 7.2.1 All our policies that address issues of power and potential harm, e.g. Anti- Bullying, Equalities, Positive Handling, Behaviour, On-line Safety will be linked to ensure a whole school approach.
- 7.2.2 Our Safeguarding and Child Protection policy cannot be separated from the general ethos of the school which is to ensure that children are treated with respect and dignity, feel safe, and are listened to.
- 7.2.3 The school's online safety policy is reflective of the requirements set out in Keeping Children Safe in Education and reflects our approach to issues of online safety that empowers us to protect and educate the whole school or college community in their use of technology and establishes mechanisms to identify, intervene in, and escalate any incident where appropriate.

8 Our role in supporting children

We will offer appropriate support to individual children who have experienced abuse or who have abused others.

8.1 In cases where children have experienced abuse/abused others, the DSL will ensure that appropriate support is offered. An individual support plan will be devised, implemented and reviewed regularly should the pupil (victim, perpetrator, of other child affected) require additional pastoral support/intervention. This plan will detail areas of support, who will be involved (i.e. learning mentor, key worker) and the child's wishes and feelings. A copy of the individual support plan will be kept in the pupil's child protection record (seeAppendix 5).

8.2 Children with additional needs

- 8.2.1 We recognise that while all children have a right to be safe, some children *may* be more vulnerable to abuse e.g. those with a disability, special educational need, mental health issues or those living with domestic violence or drug/alcohol abusing parents, parents mental health issues, learning disabilities etc.
- 8.2.2 When the school is considering excluding, either for a fixed term period or permanently, a vulnerable pupil and/or a pupil who has social care involvement is either subject to a S47 Child Protection plan/child in need plan or there are/have previously been child protection concerns, we will undertake an informed (multi-agency where other professionals are involved) risk-assessment prior to making the decision to exclude. Schools would be advised to speak to the named social worker for the child where the exclusion will be to the home to ensure that any risk is assessed and speak to Area Inclusion Partnership for support if required. Schools should note advice in the DFE Exclusions Guidance September 2017 Section 3. In the event of a one-off serious incident resulting in an immediate decision to permanently exclude, the risk assessment must be completed prior to convening a meeting of the governing board.

8.3 Children in Specific Circumstances

8.3.1 This school follows the Leeds LSCP (<u>www.leedsLSCP.org.uk</u>) online multi-agency procedures and will, where necessary, have due regard to the government guidance for children in specific circumstances as outlined in Part 1 and Annex A of KCSIE.

Female Genital Mutilation: The Mandatory Reporting Duty

- 8.3.2 The Department for Education's Keeping Children Safe in Education explains that FGM comprises "all procedures involving partial or total removal of the external female genitalia, or other injury to the female genital organs".
- 8.3.3 FGM is illegal in the UK and a form of child abuse with long-lasting, harmful consequences. It is also known as 'female genital cutting', 'circumcision' or 'initiation'.
- 8.3.4 **Any teacher** who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must immediately (in consultation with the DSL) report this to the police, personally. This is a statutory duty, and teachers will face disciplinary sanctions for failing to meet it.
- 8.3.5 The duty above does not apply in cases where a pupil is *at risk* of FGM or FGM is suspected but is not known to have been carried out. Staff must not examine pupils.
- 8.3.6 **Any other member of staff** who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must speak to the DSL and follow our local safeguarding procedures.
- 8.3.7 **Any member of staff** who suspects a pupil is *at risk* of FGM, must speak to the DSL and follow our <u>local safeguarding children's partnership procedures.</u>

Radicalisation and Terrorism

- 8.4.1 Radicalisation refers to the process by which a person comes to support terrorism and forms of extremism leading to terrorism. Terrorism is an action that endangers or causes serious violence to a person/people; causes serious damage to property; or seriously interferes or disrupts an electronic system. The use or threat must be designed to influence the government or to intimidate the public and is made for the purpose of advancing a political, religious or ideological cause.
- 8.4.2 If staff are concerned about a change in the behaviour of an individual or see something that concerns them **(this could be a colleague too)** they must seek advice appropriately with the DSL who must contact the Education Safeguarding Team or the Prevent Education Officer– Julia Holden, 07891 273720 for further advice (see appendix 10).
- 8.4.3 Schools and colleges are expected to assess the risk of children being drawn into terrorism, including support for extremist ideas that are part of terrorist ideology. This means being able to demonstrate both a general understanding of the risks affecting children and young people in the area and a specific understanding of how to identify individual children who may be at risk of radicalisation and what to do to support them. The Education Safeguarding Team and the Prevent team can advise and identify local referral pathways.
- 8.4.4 Effective early help relies on all staff to be vigilant and aware of the nature of the risk for children and young people, and what support may be available. Our school will ensure that as far as possible all front line staff will undertake Prevent awareness training (e.g. Workshop to Raise Awareness of Prevent [WRAP]).

Channel

8.5.1 Channel is a voluntary, confidential support programme which focuses on providing support at an early stage to people who are identified as being vulnerable to being drawn into terrorism. Prevent referrals may be passed to a multi-agency Channel panel, which will discuss the individual referred to determine whether they are vulnerable to being drawn into terrorism and consider the appropriate support required. A representative from the school or college may be asked to attend the Channel panel to help with this assessment. An individual's engagement with the programme is entirely voluntary at all stages.

8.6 Peer on peer abuse/ child on child

8.6.1 We recognise that children are capable of abusing their peers and that peer on peer abuse can manifest in many different ways, including bullying, cyber bullying, criminal and sexual exploitation, sexual harassment and violence, initiation/hazing, inappropriate/harmful sexualised behaviours, up skirting and youth produced imagery (sexting) and abuse within intimate partner relationships. It is very clear that this type of abuse should always be treated seriously, and never just as banter or part of growing up. Any concerns around peer on peer /child on child abuse must be reported and recorded in line with the child protection procedures outlined in this policy. The DSL is responsible on responding to such concerns in keeping with LSCP protocols referenced below. The DSL is responsible for providing support to any victims, and the perpetrators.

8.6.2 Where children and young people have exhibited inappropriate/harmful sexualised behaviour and/or exhibited inappropriate/harmful sexualised behaviours towards others, an AIM (Assessment, Intervention, Moving On) checklist must be completed and contact made with Children's Social Work Service if appropriate (see

Appendix 9). There must be a co-ordinated multi-agency approach through a risk assessment management plan (RAMP) to respond to their needs which will include parent/carers, youth justice (where appropriate), children's social work service and health. Further support and advice on AIM Checklists and/or undertaking a RAMP can be obtained from the Education Safeguarding Team on 0113 3789685.

- 8.6.3 We will ensure that the needs of children and young people who abuse others will be considered separately from the needs of their victims.
- 8.6.4 Children and young people who abuse others will be responded to in a way that meets their needs as well as protecting others within the school community through a multi-agency risk assessment.
- 8.6.5 Where child exploitation (i.e. criminal, sexual, trafficking, modern day slavery etc..), or the risk of it, is suspected, frontline practitioners must notify the designated member of staff for child protection, in line with the child protection policy reporting systems.
- 8.6.6 The DSL must complete the child exploitation risk identification tool for partners (see Appendix 8) and refer to the table at the end of the tool to help decide how to proceed. A copy of the completed tool must be kept in the child's child protection records for future reference. The DSL can also refer a pupil to the monthly Multi-agency Child Exploitation (MACE) meeting if it is felt that the criteria for referral is met and a discussion is warranted, information should be emailed to chs.mace@leeds.gov.uk . Information provided should include: name; date of birth; what the risks are; what has been put in place to lessen the risk; and the plan that the child is subject to. Referrals will be triaged and if selected, the social worker, team manager or other relevant practitioner involved will be invited to attend the MACE meeting for a short discussion.
- 8.6.7 If the child /young person already has an allocated social worker, the DSL must contact them (or their team manager) to discuss any concerns about child exploitation.
- 8.6.8 A copy of the child exploitation risk identification tool for partners (see Appendix 8) for partners can be obtained from the LSCP Website: <u>https://www.leedsscp.org.uk/Practitioners/Child-Exploitation-and-Children-Missing-from-Home/County-Lines</u>
- 8.6.9 We will ensure the school works in partnership with parents / carers and other agencies as appropriate. This includes facilitating return to home interviews as requested.

9 Children missing from education

9.1 A child going missing from education is a potential indicator of abuse or neglect. Where a child is reported to be missing education we will comply with our statutory duty to inform the local authority of any pupil who falls within the reporting notification requirements outlined in <u>Children Missing Education – Statutory guidance for local authorities (DfE September 2016)</u> and follow the Leeds Children's Services LA procedure and contact: <u>cme@leeds.gov.uk</u>. Tel: 0113 3789686.

Children who are absent, abscond or go missing during the school day are vulnerable and at potential risk of abuse, neglect, CSE or CCE including involvement in county lines. School and college staff members must follow the school's or college's procedures for dealing with children who are absent/ go missing, particularly on repeat occasions, to help identify the risk of abuse and neglect including sexual abuse or exploitation and to help prevent the risks of their going missing in future (see

10 A Safer School Culture

The governing board will ensure that the following appropriate policies, and procedures are in place and shared with staff at the point of induction, in order for appropriate action to be taken in a timely manner to safeguard and promote children's welfare:

- Whistle Blowing/Confidential reporting policies (guidance to staff and volunteers on how they can raise concerns and receive appropriate feedback on action taken when staff have concerns about any adult's behaviour)
- School's procedures for managing children who are missing education
- Guidance on Safer Working Practices
- Safeguarding and Child Protection policy (including online safety).
- School behaviour policy
- The names, roles and responsibilities of the designated safeguarding lead and any deputies.

10.1 Safer Recruitment, selection and pre-employment vetting

- 10.1.1 The school pays full regard and commitment to following the safer recruitment, selection and pre-employment vetting procedures as outlined in part three of KCSiE (2020). The school will maintain a single central record which demonstrates the relevant vetting checks required including: a barred list check, DBS check at the correct level, identity, qualifications, prohibition order and right to work in the UK. (See Part 3 of KCSiE 2020).
- 10.1.2 All recruitment materials will include reference to the school's commitment to safeguarding and promoting the wellbeing of pupils. (see Appendix 7)
- 10.1.3 The school will ensure that all recruitment panels include at least one person that has undertaken the safer recruitment consortium, safer recruitment training as recommended by the Local Authority/Leeds LSCP.
- 10.1.4 The school/college will ensure that written risk assessments are undertaken in situations where information provided on DBS certificates necessitates so. Written risk assessments must be undertaken for all volunteers **not** engaging in regulated activity. Advice and support for carrying out risk assessments can be accessed through the school's HR Advisor/Provider/Contact or the Education Safeguarding Team.

10.2 Managing allegations or safeguarding concerns against a member of staff or person in school procedures.

- 10.2.1 These procedures must be followed in any case in which it is alleged that a member of staff (including supply staff), governor, visiting professional or volunteer has:
 - a) behaved in a way that has harmed a child or may have harmed a child
 - b) possibly committed a criminal offence against or related to a child
 - c) behaved towards a child or children in a way that indicates s/he may pose a risk of harm to children
 - d) behaved or may have behaved in a way that indicates they may not be suitable to work with children.

10.2.2 Inappropriate behaviour by staff or person in school could take the following forms:

- Physical, for example intentional use of force as a punishment, slapping, use of objects to hit with, throwing objects or rough physical handling.
- Emotional, for example intimidation, belittling, scapegoating, sarcasm, lack of respect for children's rights, and attitudes which discriminate on the grounds of race, gender, sex, disability or sexuality.
- Sexual, for example sexualised behaviour towards pupils, grooming, sexual harassment, sexual assault and rape.
- Neglect which may include failing to act to protect a child or children, failing to seek medical attention or failure to carry out appropriate/proper risk assessment etc.
- Staff have duty to disclose to the head teacher where their relationships and associations both within and outside of the workplace (including online) may have implications for safeguarding children in school.
- 10.2.3 A safeguarding complaint that meets the above criteria must be reported to the Head teacher/Principal ("case manager") immediately. If the complaint involves the head teacher then the next most senior member of staff must be informed and the chair of governors.
- 10.2.4 The case manager should gather as much information about the alleged incident as necessary in order to establish whether there is substance to the allegation. The case manager must use the local authority designated officer (LADO) notification form (seeAppendix 13) in order to assess the level of concern. As part of this initial consideration, the case manager should consult with their school's HR Advisor/provider/contact or in the case of a supply member of staff the supply agency safeguarding lead/senior manager. The completed LADO notification form must be sent to <u>lado@leeds.gov.uk</u> within one working day of the allegation being made. This will assist the case manager and HR/supply agency senior manager in consultation with the LADO to decide on the most appropriate course of action. This includes when to inform the member of staff of the concerns raised. Parents or carers of the child or children involved should be told about the allegation as soon as possible if they do not already know of it.
- 10.2.5 The case manager **must not** carry out an investigation or **directly interview** an individual about whom there is a concern until the above process has been duly completed and relevant partners have been consulted.
- 10.2.6 A multi-agency allegations management meeting may be arranged to look at the complaint in its widest context. The case manager must attend this meeting, which will be arranged by the LADO. All issues must be recorded and the outcome reached must be noted to ensure closure.
- 10.2.7 In many cases it may be appropriate to provide further training and support to staff/volunteers and ensure that they are clear about the expectations for their conduct.
- 10.2.8 In more serious cases, allegations may be investigated under the formal disciplinary procedures and, where allegations are upheld, formal warnings issued as well as specific training and support. In cases where children/young people may be at further risk and/or evidence/witnesses may be compromised and/or the allegations and so serious that they may, if upheld, constitute gross misconduct,

suspension of the member of staff/volunteer may be appropriate and should be considered in line with the school's Disciplinary Policy.

- 10.2.9 Any staff/volunteers who are dismissed by the school for gross misconduct or cumulative misconduct relating to safeguarding of children/young people will be referred to the DBS for consideration of barring. Similarly, where the school has a reasonable belief that the member of staff/volunteer would have been dismissed by the school had they been employed at the time of the conclusion of investigations, they will be referred to the DBS. The school will keep written records of all of the above.
 - LADO Contacts: Claire Ford, Carolyn Hargreaves or Jo Peake Tel: 0113 3789687
 - Advice can also be sought from Raminder Aujla Team Manager Education Safeguarding Team 0113 3789637

Where a staff member feels unable to raise an issue with their employer or feels that their genuine concerns are not being addressed, staff can contact any of the professionals named in the above paragraph, in addition to other whistleblowing channels which may be open to them.

- 10.2.10 The Leeds City Council whistleblowing policy states that concerns can be raised by the following methods:
 - Whistleblowing hotline 0113 3788008 (dedicated hotline answered by a member of the Internal Audit team or an answerphone).
 - E-mail <u>concerns@leeds.gov.uk</u>
 - In writing Internal Audit, 3rd Floor West, Civic Hall, Leeds, LS1 1JF
 - The NSPCC whistleblowing helpline is available for staff who do not feel able to raise concerns regarding child protection failures internally. Staff can call: 0800 028 0285 – line is available from 8:00am to 8:00pm, Monday to Friday and Email: <u>help@nspcc.org.uk</u>.

10.3 Training and Support

- 10.3.1 All staff members will be made aware of systems within our school that support safeguarding and these will be explained to them as part of our staff induction. This includes: the school's/college's safeguarding/child protection policy; the school's safer working practice document and the school's whistleblowing procedures.
- 10.3.2 We recognise the stressful and traumatic nature of child protection work. Support is available for any member of staff. Access to regular and timely supervision is an essential form of support for all designated safeguarding staff. Children's Services Education Safeguarding team are also potentially available for advice and support (Tel: 0113 3789685).
- 10.3.3 Designated Safeguarding staff must have attended the 3-day Children's Services Education child protection training course, and the Leeds LSCP multi-agency Working Together to Safeguard Children and Young People training. They will attend refresher training at least every two years. The DSL will undertake Prevent Awareness Training (e.g. Workshop to Raise Awareness of Prevent [WRAP]) to enable them to provide advice and support to other members of staff on protecting children from the risk of radicalisation.

- 10.3.4 The school will ensure all staff including temporary and volunteers receive induction and updated INSET appropriate to their roles and responsibilities, especially staff new to the school. All staff will access basic child protection training (including online safety) and refresher training at least every three years and regular safeguarding and child protection updates (for example, via email, e-bulletins, staff meetings), as required, but at least annually, to provide them with relevant skills and knowledge to safeguard children effectively. Access to training can be via the Children's Services Education Safeguarding Team and the LSCP.
- 10.3.5 The Head teacher will attend appropriate 1 day safeguarding training at least every three years.
- 10.3.6 Governors, including the nominated governor will attend specific training for their role, updated at least every three years.
- 10.3.7 Any training accessed through third party/independent providers must reflect the LSCP protocols and the LSCP minimum standards checklist. This training will be recorded by the school on a separate database.
- 10.3.8 The Head teacher and at least one member of the governing body that is not a staff governor must complete the National Safer Recruitment Training and refresh this training every five years.

11 Child Protection Records

- 11.1 The responsibility to maintain, process, share, transfer and store child protection and safeguarding records in accordance with the Data Protection Act 2018 and the GDPR principles is the responsibility of the designated safeguarding lead and any safeguarding deputies. Child protection information will be held securely, with access being restricted to the DSL and their deputies, head teacher and in cases of Early Help, the nominated lead professional, if this is not a designated safeguarding lead/officer. For further information please see <u>Early Help</u>. The following information must be kept securely with restricted access, whether paper or electronic:
 - Chronology (summary of significant events and the actions and involvement of the school/college)
 - All completed child protection cause for concern records
 - Any child protection information received from the child's previous educational establishment
 - Records of discussions, telephone calls and meetings with colleagues and other agencies or services
 - Professional consultations
 - Letters and emails sent and received relating to child protection matters
 - Referral forms sent to CSWS, other external agencies or education-based services
 - Minutes or notes of meetings, e.g. child protection conferences, core group meetings, etc., copied to the file of each child in the family, as appropriate
 - Formal plans for, or linked to, the child e.g. child protection plans, Early Help (previously known as CAF's), risk assessments etc.
 - A copy of any support plan for the pupil concerned (see Appendix 5)
- 11.2 Where a pupil leaves their existing provision, we will ensure that the child protection file is transferred securely and separately from the main pupil file to the receiving school/educational establishment (where this is known) as soon as possible and within 15 school days. This is a legal requirement set out under regulation 9 (3) of 'The Education (Pupil Information England) Regulations 2005. A copy of the chronology must be retained for audit purposes.

- 11.3 Where there is an existing risk management plan/assessment in place for behaviours that are deemed potentially harmful to the pupil or others (i.e. self-harming or harmful sexualised behaviour), this information must be shared with the destination provision prior to the pupil starting so that appropriate care and control measures can be put in place to mitigate the potential of any risk of further harm occurring. The DSL will also consider if it would be appropriate to share any information with the new school or college in advance of a child leaving, for example prior to a transfer programme.
- 11.4 Where a child leaves a school before statutory school leaving age, the child protection file must be transferred to the new school or college. There is no need to keep written or electronic copies of the child protection records, therefore these will be deleted from electronic systems once the successful transfer has been confirmed. The exception to this rule will be in any of the following instances:
 - Where a vulnerable young person is moving to a Further Education establishment, consideration will be given to the pupil's wishes and feelings about their child protection information being passed on, in order that the FE establishment can provide appropriate support. In cases where it is deemed appropriate, relevant child protection information must be shared via the FE Safeguarding Information Sharing Form only. The original records will be retained and archived by the school/college. Due consideration must be given to the sharing of any additional information requested by the receiving establishment.
 - Where the destination school is not known (the original records will be retained by the school/college)
 - Where the child has not attended the nominated school (the original records will be retained by the school/college)
 - There is any on-going legal action (the original file will be retained by the school and a copy sent)
- 11.5 Pupil records will be transferred in a secure manner, for example, through secure electronic file transfer or by hand. When hand-delivering pupil records, a list of the names of those pupils whose records are being transferred and the name of the school/college they are being transferred to must be made and a signature obtained from the receiving school/college as proof of receipt. When sending records through secure electronic file transfer, a delivery and read receipt of the must be retained for audit purposes.
- 11.6 If a pupil moves from our school, child protection records will be forwarded onto the named DSL at the new school, with due regard to their confidential nature. Good practice suggests that this will always be done with a face to face handover between designated staff or a verbal conversation is had over the telephone if a face to face handover is not possible. A signed receipt of file transfer must be obtained for audit purposes by the delivering school.
- 11.7 If sending by post, children records will be sent "Special Delivery". A note of the special delivery number will also be made to enable the records to be tracked and traced via Royal Mail.
- 11.8 For audit purposes a note of all pupil records transferred or received will be kept in either paper or electronic format. This will include the child's name, date of birth, where and to whom the records have been sent, and the date sent and/or received. A copy of the child protection chronology will also be retained for audit purposes and kept securely.

- 11.9 If a pupil is permanently excluded and moves to an alternative or specialist provision, child protection records will be forwarded onto the relevant organisation in accordance with the 'The Education (Pupil Information England) Regulations 2005, following the above procedure for delivery of the records.
- 11.10 If a parent chooses to electively home educate (EHE) their child, the child protection record must be forwarded to Julia Green, Admin Coordinator, EHE Team, Adams Court, Kildare Terrace, Leeds LS12 1DB, following the above procedure for delivery of the records.
- 11.11 When a DSL member of staff resigns their post or no longer has child protection responsibility, there will be a full face to face handover/exchange of information with the new post holder.
- 11.12 In exceptional circumstances when a face to face handover is unfeasible, it is the responsibility of the head teacher to ensure that the new post holder is fully conversant with all procedures and case files.
- 11.13 All DSLs receiving current (live) files or closed files must keep all contents enclosed and not remove any material.
- 11.14 All receipts confirming file transfer must be kept in accordance with the recommended retention periods. For further information refer to the archiving section.

11.2 Children's and parents' access to child protection files

- 11.2.1 Under Data Protection legislation (General Data Protection Regulation & Data Protection Act 2018) a pupil or their nominated representative have a number of legal right in respect of information relating to them. These rights include the right to access and the right to rectification of inaccurate data. Therefore all information will be accurately recorded, objective in nature and expressed in a professional manner.
- 11.2.2 Any child who has a child protection file has a right to request access to it. However, neither the child nor the parent has an automatic right to see all the information held in child protection records. Information can be withheld if disclosure:
 - could cause serious harm or is likely to cause serious harm to the physical or mental health or condition of the child or another person; or
 - could reveal that the child or another person has been a subject of or may be at risk of child abuse, and the disclosure is not in the best interests of the child; or
 - is likely to prejudice an on-going criminal investigation; or
 - information about the child also relates to another person who could be identified from it or the information has been given by another person who could be identified as the source, unless the person has consented to the disclosure or the person providing the information is an employee of the establishment or the Local Authority.
- 11.2.3 It is best practice to make reports available to the child or their parents unless the exceptions described above apply. If an application is made to see the whole record, advice can be sought from the Leeds Adults, Health and Children's Information Governance Hub.

Contact email: <u>IMG.AC@leeds.gov.uk</u> Telephone: 0113 3784251. 11.2.4 The establishment's report to the child protection conference will (wherever possible) be shared with the child, if old enough, and parent at least two days before the conference.

11.3 Archiving

11.3.1 The school that the pupil attended until statutory school leaving age (or the school where the pupil completed sixth form studies) is responsible for retaining any child protection records they may hold. The recommended retention periods is 35 years from closure when there has been a referral to CSWS. If no referral has been made to CSWS, the child protection record will be retained until the child's 25th birthday, after which point the file will be destroyed confidentially. The decision of how and where to store child protection files will be made by the school via the governing board. Due to sensitivity of the information, the records will continue to be held in a secure area with limited access e.g. designated officer or head teacher. The DSL is responsible for ensuring that all CP files are archived in accordance with the timescales referenced above.

11.4 Safe Destruction of the pupil record

11.4.1 Where records have been identified for destruction, they will be disposed of securely at the end of the academic year (or as soon as practical before that time). Records which have been identified for destruction will be confidentially destroyed. This is because they will either contain personal or sensitive information, which is subject to the requirements of Data Protection legislation or they will contain information which is confidential to school or the Local Education Authority. Information will be shredded (or deleted as appropriate) prior to disposal or confidential disposal can be arranged through private contractors. For audit purposes the school will maintain a list of records which have been destroyed and who authorised their destruction. This can be kept securely in either paper or an electronic format.

12 Safeguarding responsibilities for pupils in transition

- 12.1.1 In the event that a pupil transitions full-time from a primary setting into a high school setting before the end of their academic school year 6, the high school must place a pupil on their admissions register on the first day that the pupil attends and submit a new starter form to the local authority admissions team. Once the pupil is registered at the new school, the previous school can remove The pupil from their register. All safeguarding responsibilities, including attendance management, for the pupil will transfer to the head teacher and/or the senior designated safeguarding lead of the secondary setting. All child protection files and risk assessments will be transferred in keeping with the guidance outlined In section 11 of this policy Child Protection Records
- 12.1.2 Where a vulnerable pupil transitions from a high school setting to a post-16 provision (refer 11.1.4), the school must complete the FE Safeguarding Information Sharing Form only (Appendix 12). All existing child protection records must be archived in keeping with the guidance outlined in section 11.2 of this policy Archiving.

Appendix 1: Definitions and indicators of abuse

Reference: Working Together to Safeguard Children (DfE 2018). See also KCSiE Part one and Annex A.

Neglect: Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- Provide adequate food, clothing and shelter (including exclusion from home or abandonment);
- Protect a child from physical and emotional harm or danger;
- Ensure adequate supervision (including the use of inadequate care-givers)
- Ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

Examples which may indicate neglect (it is not designed to be used as a checklist):

- Hunger
- Tiredness or listlessness
- Child dirty or unkempt
- Poorly or inappropriately clad for the weather
- Poor school attendance or often late for school
- Poor concentration
- Affection or attention seeking behaviour
- Untreated illnesses/injuries
- Pallid complexion
- Stealing or scavenging compulsively
- Failure to achieve developmental milestones, for example growth, weight
- Failure to develop intellectually or socially
- Neurotic behaviour

Physical abuse: Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

Examples which may indicate physical abuse (not to be used as a checklist):

- Patterns of bruising; inconsistent account of how bruising or injuries occurred
- Finger, hand or nail marks, black eyes
- Bite marks
- Round burn marks, burns and scalds
- Lacerations, wealds
- Fractures
- Bald patches
- Symptoms of drug or alcohol intoxication or poisoning
- Unaccountable covering of limbs, even in hot weather
- Fear of going home or parents being contacted
- Fear of medical help
- Fear of changing for PE
- Inexplicable fear of adults or over-compliance
- Violence or aggression towards others including bullying
- Isolation from peers

Sexual abuse: involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening. The activities may involve physical contact, including assault by penetration (for example rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Examples which may indicate sexual abuse (it is not designed to be used as a checklist):

- Sexually explicit play or behaviour or age-inappropriate knowledge
- Anal or vaginal discharge, soreness or scratching
- Reluctance to go home
- Inability to concentrate, tiredness
- Refusal to communicate.
- Thrush, Persistent complaints of stomach disorders or pains
- Eating disorders, for example anorexia nervosa and bulimia
- Attention seeking behaviour, self-mutilation, substance abuse
- Aggressive behaviour including sexual harassment or molestation
- Unusually compliant
- Regressive behaviour, Enuresis, soiling
- Frequent or open masturbation, touching others inappropriately
- Depression, withdrawal, isolation from peer group
- Reluctance to undress for PE or swimming
- Bruises, scratches in genital area

Emotional abuse: Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development. It may involve conveying to children that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child in participating in normal social interaction. It may also involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyber bullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children. Some level of emotional abuse is involved in all types of maltreatment

Examples which may indicate emotional abuse (it is not designed to be used as a checklist):

- Over-reaction to mistakes, continual self-deprecation
- Delayed physical, mental, emotional development
- Sudden speech or sensory disorders
- Inappropriate emotional responses, fantasies
- Neurotic behaviour: rocking, banging head, regression, tics and twitches
- Self-harming, drug or solvent abuse
- Fear of parents being contacted
- Running away / Going missing
- Compulsive stealing
- Masturbation, Appetite disorders anorexia nervosa, bulimia
- Soiling, smearing faeces, enuresis

N.B.: Some situations where children stop communication suddenly (known as "traumatic mutism") may indicate maltreatment.

Child Sexual Exploitation: Child sexual exploitation is a form of child sexual abuse. It occurs where an individual or group takes advantage of an imbalance of power to coerce, manipulate or deceive a child or young person under the age of 18 into sexual activity (a) in exchange for something the victim needs or wants, and/or (b) for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation does not always involve physical contact; it can also occur through the use of technology.

Reference: Child Sexual Exploitation. *Definition and a guide for practitioners, local leaders and decision makers working to protect children from child sexual exploitation* (DfE 2017)

Responses from parents

Research and experience indicates that the following responses from parents may suggest a cause for concern across all four categories:

- An unexpected delay in seeking treatment that is obviously needed
- An unawareness or denial of any injury, pain or loss of function (for example, a fractured limb)
- Incompatible explanations offered, several different explanations or the child is said to have acted in a way that is inappropriate to her/his age and development
- Reluctance to give information or failure to mention other known relevant injuries
- Frequent presentation of minor injuries
- Unrealistic expectations or constant complaints about the child
- Alcohol misuse or other drug/substance misuse
- Parents request removal of the child from home
- Violence between adults in the household

Children with special educational needs and disabilities

When working with children with special educational needs and disabilities, practitioners need to be aware that additional possible indicators of abuse and/or neglect may also include:

- A bruise in a site that might not be of concern on an ambulant child such as the shin, might be of concern on a non-mobile child. The LSCP have a multi-agency protocol to support professionals in making informed judgements for bruising in non-independently mobile children. <u>https://www.leedsscp.org.uk/LSCB/media/Images/pdfs/Multi-agency-Bruising-</u> Protocol-for-Children-Not-Independently-Mobile-V4.pdf
- Not getting enough help with feeding leading to malnourishment
- Poor toileting arrangements
- Lack of stimulation
- Unjustified and/or excessive use of restraint
- Rough handling, extreme behaviour modification e.g. deprivation of liquid medication, food or clothing, disabling wheelchair batteries
- Unwillingness to try to learn a child's means of communication
- Ill-fitting equipment e.g. callipers, sleep boards, inappropriate splinting;
- Misappropriation of a child's finances
- Invasive procedures

Appendix 2 Responding to children who report abuse.

When a child tells me about abuse s/he has suffered, what must I remember?

- Stay calm
- Do not transmit shock, anger or embarrassment.
- Reassure the child. Tell her/him you are pleased that s/he is speaking to you.
- Never enter into a pact of secrecy with the child. Assure her/him that you will try to help but let the child know that you will have to tell other people in order to do this. State who this will be and why.
- Tell her/him that you believe them. Children very rarely lie about abuse; but s/he may have tried to tell others and not been heard or believed.
- Tell the child that it is not her/his fault.
- Encourage the child to talk but do not ask "leading questions" or press for information.
- Listen and remember.
- Check that you have understood correctly what the child is trying to tell you.
- Praise the child for telling you. Communicate that s/he has a right to be safe and protected.
- Do not tell the child that what s/he experienced is dirty, naughty or bad.
- Do not take photographs or make videos of any injuries reported by a child.
- It is inappropriate to make any comments about the alleged offender.
- Be aware that the child may retract what s/he has told you. It is essential to record all you have heard.
- At the end of the conversation, tell the child again who you are going to tell and why that person or those people need to know.
- As soon as you can afterwards, make a detailed record of the conversation using the child's own language. Include any questions you may have asked. Do not add any opinions or interpretations.

NB It is not education staff's role to investigate reports of abuse. Their role is to observe that something may be wrong, ask about it, listen, be available and respond appropriately.

Immediately afterwards

You must not deal with this yourself. All reports of abuse must be recorded and responded to in keeping with the professional roles and responsibilities outlined in Fig 1: Summary of in-school procedures to follow where there are concerns about a child (Page 13)

1. Context

From 5th January 2021 parents were asked to keep their children at home, wherever possible, and for schools to remain open only for those children of workers critical to the COVID-19 response who absolutely need to attend and children who are vulnerable and cannot be safely cared for at home.

It is the responsibility of the host school for safeguarding and child protection for all pupils who are attending regardless of whether they are on roll at that school.

All staff working in schools should understand their specific roles in the safeguarding of children.

This addendum of the Cookridge primary School Safeguarding and Child Protection policy contains details of our individual safeguarding arrangements in the following areas:

4. Vulnerable children

As outlined in government guidance published in January 2021 vulnerable children and young people are defined as those who:

- are assessed as being in need under section 17 of the Children Act 1989, including children and young people who have a child in need plan, a child protection plan or who are a looked-after child;
- have an education, health and care (EHC) plan;
- have been identified as otherwise vulnerable by educational providers or local authorities (including children's social care services), and who could therefore benefit from continued full-time attendance, this might include:
 - children and young people on the edge of receiving support from children's social care services or in the process of being referred to children's services
 - o adopted children or children on a special guardianship order
 - those at risk of becoming NEET ('not in employment, education or training')
 - those living in temporary accommodation
 - \circ those who are young carers
 - those who may have difficulty engaging with remote education at home (for example due to a lack of devices or quiet space to study)
 - care leavers
 - others at the provider and local authority's discretion including pupils and students who need to attend to receive support or manage risks to their mental health.

Eligibility for free school meals in and of itself is not a determining factor in assessing vulnerability.

Senior leaders, especially the Designated Safeguarding Lead (and deputy) know who our most vulnerable children are. They have the flexibility to offer a place to those on the edge of receiving children's social care support.

Cookridge Primary School will continue to work with and support children's social workers to help protect vulnerable children. This includes working with and supporting children's social workers and the local authority virtual school head (VSH) for looked-after and previously looked-after children. The lead person for this will be: Susan Brosnan

There is an expectation that vulnerable children who have a social worker will attend an education setting, so long as they do not have underlying health conditions that put them at increased risk. In circumstances where a parent does not want to bring their child to an education setting, and their child is considered vulnerable, the social worker and Cookridge Primary School will explore the reasons for this directly with the parent.

Where parents are concerned about the risk of the child contracting COVID19, Cookridge Primary School or the social worker will talk through these anxieties with the parent/carer following the advice set out by Public Health England.

Cookridge Primary School will encourage our vulnerable children and young people to attend a school, including remotely if needed.

5. Attendance monitoring

In mainstream schools, all secondary-age pupils who are not expected to be in school during the weeks commencing 4 and 11 January 2021, should be recorded as 'code X'.

Children for whom on-site provision is being provided should be recorded in line with the normal school attendance requirements.

Shielding advice is currently in place in tier 4 areas, and so all children still deemed clinically extremely vulnerable are advised not to attend school.

Cookridge Primary School and social workers will agree with parents/carers whether children in need should be attending school – Cookridge primary School will then follow up on any pupil that they were expecting to attend, who does not.

Cookridge Primary School will also follow up with any parent or carer who has arranged care for their child(ren) and the child(ren) subsequently do not attend.

Phone calls will be made to the parents/carers in these circumstances.

To support the above, Cookridge Primary School will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child does not take up their place at school, or discontinues, Cookridge Primary School will notify their social worker.

To support the above, Cookridge Primary School will, when communicating with parents/carers and carers, confirm emergency contact numbers are correct and ask for any additional emergency contact numbers where they are available.

In all circumstances where a vulnerable child with a social worker does not take up their place at school, or discontinues, Cookridge Primary School will notify their allocated social worker.

Children on the Clinically Extremely Vulnerable list are not expected to attend school.

6. Designated Safeguarding Lead

Cookridge Primary School has a Designated Safeguarding Lead (DSL) and a Deputy DSL.

The Designated Safeguarding Lead is: Susan Brosnan

The Deputy Designated Safeguarding Lead is: Lynne Hunter

The optimal scenario is to have a trained DSL (or deputy) available on site. Where this is not the case a trained DSL (or deputy) will be available to be contacted via phone or online video - for example when working from home.

Where a trained DSL (or deputy) is not on site, in addition to the above, a senior leader will assume responsibility for co-ordinating safeguarding on site.

This might include updating and managing access to child protection records both offline or online management system, and liaising with the offsite DSL (or deputy) and as required liaising with children's social workers where they require access to children in need and/or to carry out statutory assessments at the school or college.

It is important that all Cookridge Primary School staff and volunteers have access to a trained DSL (or deputy). On each day, the staff on site will be made aware of who that person is and how to contact them. All onsite staff should be made aware of the children's services education safeguarding team consultation line number (0113 3789685) should a DSL be unavailable and they require safeguarding advice. The DSL will continue to engage with social workers, and attend all multi-agency meetings, which can be done remotely.

The senior DSL will ensure that operational staff with designated safeguarding responsibilities, access regular supervision, which can be undertaken remotely through electronic communications (e.g. skype, mobile communications etc.)

7. Reporting a concern

Where staff have a concern about a child, they should continue to follow the process outlined in the school Safeguarding Policy. This includes making a report and formally recording concerns via the school's electronic safeguarding systems, (e.g. CPOMS) which can be done remotely. Or secure email systems with completed cause for concern forms attached.

Staff are reminded of the need to report any concern immediately and without delay.

Where staff are concerned about an adult working with children in the school, they should contact their Head teacher. If there is a requirement to make a notification to the Head teacher whilst away from school, this should be done verbally and followed up with an email to the Head teacher.

Concerns around the Head teacher should be directed to the Chair of Governors: Katie Stewart <u>katie.stewart@cookridgeprimaryschool.org.uk</u>

All staff must follow Part 4 of Keeping Children Safe in Education (2020) and the local authority model safeguarding model child protection policy (section 10.2) guidance for managing allegations against staff. The case manager must use the local authority designated officer (LADO) notification form (see Appendix 13 of local authority model safeguarding model child protection policy) in order to assess the level of concern. As part of this initial consideration, the case manager should consult with their school's HR Advisor/provider/contact. The completed LADO notification form must be sent to lado@leeds.gov.uk within one working day of the allegation being made.

The education safeguarding team manager (Raminder Aujla <u>raminder.aujla@leeds.gov.uk</u>) will continue to offer support in the process of managing allegations.

8. Safeguarding Training and induction

For the period COVID-19 measures are in place, a DSL (or deputy) who has been trained will continue to be classed as a trained DSL (or deputy) even if access to their refresher training delayed. Refresher safeguarding training for all staff can be accessed remotely through <u>https://www.leedsforlearning.co.uk/</u>

All existing school staff have had safeguarding training and have read part 1 of Keeping Children Safe in Education (2020). The DSL should communicate with staff any new local arrangements, so they know what to do if they are worried about a child.

Where new staff are recruited, or new volunteers enter Cookridge Primary School they will continue to be provided with a safeguarding induction and training. The local authority education safeguarding team child protection training offer can be accessed remotely through <u>https://www.leedsforlearning.co.uk/</u>

Upon arrival, new staff will be issued with the statutory safeguarding documents as outlined in Part One of Keeping Children Safe In Education 2020 including a copy of the receiving setting's safeguarding and child protection policy, guidance for safer working practice for staff working in educational settings, behaviour policy, children missing education procedures, online safety policy including acceptable use and confirmation of local processes and confirmation of DSL arrangements.

9. Safer recruitment/volunteers and movement of staff

It remains essential that people who are unsuitable are not allowed to enter the children's workforce or gain access to children. When recruiting new staff, Cookridge Primary School will continue to follow the relevant safer recruitment processes for their setting, including, as appropriate, relevant sections in part 3 of Keeping Children Safe in Education (2020) (KCSIE).

In response to COVID-19, the Disclosure and Barring Service (DBS) has made changes to its guidance on standard and enhanced DBS ID checking to minimise the need for face-to-face contact. <u>https://www.gov.uk/government/news/covid-19-changes-to-dbs-id-checking-guidelines</u>

If staff are deployed from another education or children's workforce setting to our school, we will take into account the DfE supplementary guidance on safeguarding children during the COVID-19 pandemic and will accept portability as long as the current employer confirms in writing that:

- the individual has been subject to an enhanced DBS and children's barred list check
- there are no known concerns about the individual's suitability to work with children
- there is no ongoing disciplinary investigation relating to that individual

Where Cookridge Primary School are utilising volunteers (including for mass testing), we will continue to follow the checking and risk assessment process as set out in paragraphs 183 to 188 of KCSIE (2020). Under no circumstances will a

volunteer who has not been checked be left unsupervised or allowed to work in regulated activity. Undertaking COVID testing on children directly who are unable to do this themselves will meet the regulated activity requirement.

Cookridge Primary School will continue to follow the legal duty to refer to the DBS anyone who has harmed or poses a risk of harm to a child or vulnerable adult. Full details can be found at paragraph 179 of KCSIE (2020).

Cookridge Primary School will continue to consider and make referrals to the Teaching Regulation Agency (TRA) as per paragraph 182 of KCSIE (2020) and the TRA's 'Teacher misconduct advice for making a referral.

During the COVID-19 period all referrals should be made by emailing <u>Misconduct.Teacher@education.gov.uk</u>

Whilst acknowledging the challenge of the current National emergency, it is essential from a safeguarding perspective that any school is aware, on any given day, which staff/volunteers will be in the school or college, and that appropriate checks have been carried out, especially for anyone engaging in regulated activity. As such, Cookridge Primary School will continue to keep the single central record (SCR) up to date as outlined in paragraphs 164 to 171 in KCSIE (2020). All staff employed to conduct mass testing are added to the SCR.

10. Online safety in schools and colleges

Cookridge Primary School will continue to provide a safe environment, including online. This includes the use of an online filtering system.

Where students are using computers in school, appropriate supervision will be in place.

11. Children and online safety away from school and college

Where students are using digital technology away from school for the purposes of remote learning, the duty to ensure appropriate supervision is the responsibility of the child's parent/carer as outlined in the school's acceptable use policy.

It is important that all staff who interact with children, including online, continue to look out for signs a child may be at risk. Any such concerns should be dealt with as per the Child Protection Policy and where appropriate referrals should still be made to children's social care and as required, the police.

Online teaching should follow the same principles as set out in the Guidance for safer working practice (including Covid-19 Addendum issued in April 2020) for those working with children and young people in education settings (National Safer Recruitment Consortium May 2019).

Cookridge Primary School will ensure any use of online learning tools and systems is in line with privacy and data protection/GDPR requirements.

Below are some things to consider when delivering virtual lessons, especially where webcams are involved:

- No 1:1s without permission, groups only. In cases where 1:1 tuition is essential, staff must seek agreement from a senior manager and the pupil's parent.
- Staff and children must wear suitable clothing, as should anyone else in the household.
- Where staff are working remotely any technology used for communication should be in appropriate areas, staff need to be mindful that backgrounds do not compromise personal confidentiality or breach the guiding principles of safer working practice guidance for staff working in educational settings.
- Our school reserve the right for staff members to record live streamed sessions with pupils as a log of the activity. By joining the learning session parents give permission for this to happen.
- The purpose of any potential recording of live sessions would be so that the video can be reviewed if any issues were to arise.
- Live classes should be kept to a reasonable length of time, or the streaming may prevent the family `getting on' with their day.
- Recording of live sessions may be particularly appropriate when there is only one member of staff on the call and no 'supervising' second adult is available on the feed.
- If live streams are to be recorded, this should be reflected in communication with staff, parents and children and highlighted in the acceptable use policy
- Language must be professional and appropriate, including any family members in the background.
- Staff must only use platforms specified by senior managers and approved by our IT network manager / provider to communicate with pupils
- Staff should record, the length, time, date and attendance of any sessions held

12. Supporting children not in school

Cookridge Primary School is committed to ensuring the safety and wellbeing of all its children and young people.

Where the DSL has identified a child to be on the edge of social care support, or who would normally receive pastoral-type support in school, they should ensure that a robust communication plan is in place for that child or young person.

Details of this plan must be recorded, as should a record of all contacts made.

The communication plans can include: remote contact, phone contact, door-step visits. Other individualised contact methods should be considered and recorded.

Cookridge Primary School and its DSL will work closely with all stakeholders to maximise the effectiveness of any communication plan.

This plan must be reviewed regularly and where concerns arise, the DSL will consider any referrals as appropriate.

The school will share safeguarding messages on its website and social media pages.

Cookridge Primary School recognises that school is a protective factor for children and young people, and the current circumstances, can affect the mental health of pupils and their parents/carers. Staff at Cookridge Primary School need to be aware of this when setting expectations for pupils who are engaging in remote learning.

13. Supporting children in school

Cookridge Primary School is committed to ensuring the safety and wellbeing of all its students.

Cookridge Primary School will continue to be a safe space for all children to attend and flourish. The Head teacher will ensure that appropriate staff are on site and staff to pupil ratio numbers are appropriate, to maximise safety.

Cookridge Primary School will refer to the Government guidance for education and childcare settings on how to implement social distancing and continue to follow the advice from Public Health England on handwashing and other measures to limit the risk of spread of COVID19.

Cookridge Primary School will ensure that where we care for children of critical workers and vulnerable children on site, we ensure appropriate support is in place for them.

Where Cookridge Primary School has concerns about the impact of staff absence – such as our Designated Safeguarding Lead or first aiders – we will discuss them immediately with the local authority education safeguarding team and/or health and safety team.

14. Peer on Peer Abuse

Cookridge Primary School recognises that during the closure a revised process may be required for managing any report of such abuse and supporting victims. Where a school receives a report of peer on peer abuse, they will follow the principles as set out in part 5 of KCSIE and of those outlined within of the Child Protection Policy.

The school will listen and work with the young person, parents/carers and any multi-agency partner required to ensure the safety and security of that young person.

Concerns and actions must be recorded in keeping with school reporting and recording systems and appropriate referrals made.

15. Mental health and Well-Being

Cookridge Primary School recognises that the current exceptional circumstances may affect the mental health and well-being of pupils, parents and staff in many different ways. School will ensure that they have details of appropriate support available and this will be accessible for pupils, parents and staff.

These are unusual and difficult times for many people and for some families they may become traumatic times and involve loss and grief. We have provided appropriate home learning for our pupils to complete during this period of time whilst the vast majority of pupils are at home. Although learning is very important, and we want to make the best use of this time, we recognise that the expectations of this may be challenging on some students and families. School will provide reassurance and support to pupils, parents and staff in order to manage these expectations without putting additional stresses and pressure on individuals.

Schools should offer continue to support pastoral support to their pupils and seek advice from services when necessary about the universal and targeted offer around mental health and wellbeing. Schools should ensure that there is a plan in place for how any bereavements may be handled, including obtaining support services as appropriate.

16. Staff who bring their own children into school due to a lack of suitable alternative childcare

In addition to advice issued centrally by the Local Authority on this issue: where these are pre school children schools must also have regard to the Disqualification Regulations 2018: The <u>Childcare (Disqualification) Regulations</u> 2018 and <u>Childcare Act 2006</u>, which set out who is disqualified from working with children.

17. Support from the Local Authority

The Children's Services Education Safeguarding Team will continue to provide support and guidance as appropriate to enable DSLs to carry out their role effectively.

18. The use of personal mobile phones.

In situations where staff have agreed to use their own personal mobile phone to make contact with families, staff and school will need to put in place systems to ensure the staff member's personal number is not visible to parents and carers. Staff should not give parents/carers personal mobile telephone numbers as a point of contact. In an emergency situation, where this is deemed essential, specific permission must be granted by an appropriate senior leader.

Staff who require access to their mobile phone during the school day due to: test and trace notifications (for instances such as their own children who may require picking up due to collapsed bubbles etc..) will be required to follow the principles set out in the guidance for safer working practice (12. Communication with children (including the use of technology)). Mobile phones should be used in line with individual school guidance and should not be used for non-educational purposes when supervising or teaching children. Staff should take reasonable steps to ensure they are not distracted from their duties by non-urgent alerts or notifications. Where staff receive urgent alerts related to the COVID track and trace NHS App or their own children's school they should follow school procedures to ensure continuity of supervision for any children in their care.
