I can give / explain the meaning of words in context

Can check that the book makes sense to them, discussing their understanding and exploring the meaning of words in context **some** of the time.

1. Find the word in the text that has the following meaning:

- a. extremely happy.
- b. making one feel very tired; very tiring.

2. Identify any other words in the text you do not understand and find a definition in the dictionary or use the Internet to help you.
