## Grammar Goal Of The Week

### Editing and Improving

Spend around 15 minutes editing your story from yesterday. Use the questions below to help you.

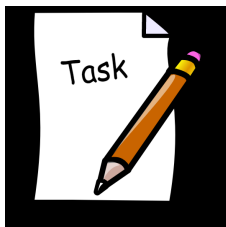

Are there any spellings to correct?

Can you up-level any words?

What is missing?

Can you add anything to make it more exciting?

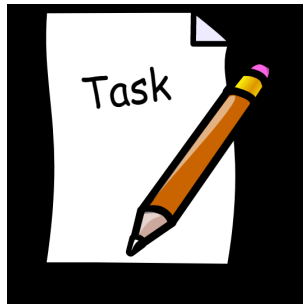

### Final Draft

At Cookridge, we often 'publish' our work or write 'final' pieces after the editing process.

Today, now you have edited, you need to create a final version of your story. Remember to include any changes and focus on spelling and our 'Grammar Goal' of pronouns.

*If you'd like to type it and send it in via email you can.*

Finish with a minimum 15 minutes on Spelling Shed on the lists you have been set.
