

Subtracting 2 digit numbers —Wednesday 3rd March

Please print these pages and complete your work by hand. Then take a photo or scan your finished work and email your work to Miss Brophy.

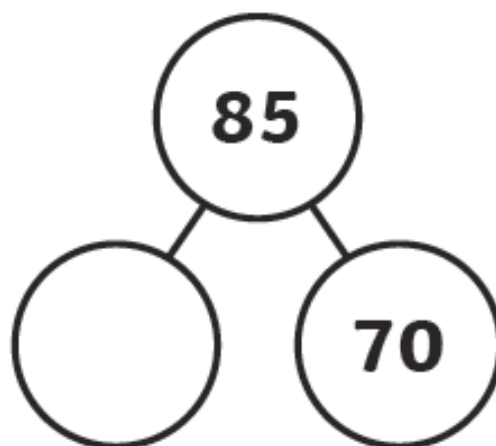

Subtract 2-Digit Numbers – Crossing Tens

Use base ten blocks to subtract 18 from 52.

$$85 - 28$$

	8	4
-	3	7
<hr/>		

	- 8

Use a number line to calculate 63 minus 26.

Subtract 2-Digit Numbers – Crossing Tens

Ring the odd one out.

$$41 - 15 =$$

$$95 - 68 =$$

$$52 - 24 =$$

$$64 - 36 =$$

$$36 - 17 =$$

$$78 - 49 =$$

$$83 - 59 =$$

Explain your choice.
