

Cookridge Primary School Admission Policy September 2022 to July 2023

Admission Policy for Cookridge Primary School for admission in September 2022

The Governing Body is the Admissions Authority for Cookridge Primary School. We are responsible for determining the school's admissions arrangements including this policy and deciding who can be offered a place in accordance with the policy.

For applications in the normal admissions round (entry into Reception in September), all applications will be processed in accordance with the co-ordinated admissions scheme.

Applications should be made to your home Local Authority for a place at our school. The closing date for applications is **15 January 2022**. If successful, on **19 April 2022**, your home Local Authority will send you the offer of a place at our school on behalf of the Governing Body.

Head teachers or school-based staff are not authorised to offer a child a place for Reception for September entry.

The Head teacher on behalf of the Governing Body makes the offer of places in all other year groups and for entry to Reception outside the normal admissions round.

Published Admission Number for Reception

45 places will be available at Cookridge Primary School for entry in Reception in September 2022.

Where there are fewer applicants than places available, all applicants will be offered a place.

Where Cookridge Primary School is the school named on a child's Education Health and Care Plan (EHCP), the child will be admitted to the school.

Where there are more applicants than places available, places will be offered to children in the following order of priority:

Priority 1a – Looked after and previously looked after children

A looked after child is defined as a child who is (one of the following):

- in the care of a local authority
- being provided with accommodation by a local authority's social services (see the definition in [Section 22\(1\) of the Children Act 1989](#))

A previously looked after child is any child who was previously looked after but stopped being so because they were (one of the following):

- adopted
- became subject to a Special Guardianship order
- became subject to a Child Arrangements Order

You must submit evidence of your child's previously looked after status (a copy of the court order and evidence of being in local authority care) with your application.

Priority 1b – Children who were in state care outside of England and were then adopted

You must submit evidence with your application so this priority can be verified. The evidence must show:

- your child's adoption (an adoption order or adoption birth certificate)
- that they were in state care outside England (a letter from the state)

Priority 2 – Children with exceptional social or medical needs that can only be met at a specific school

This priority is a request for admission to one specific school because your child has exceptional needs that can only be met at that school.

In exceptional cases, there may be compelling reasons why a child needs to attend our school. This priority can be requested in this case and applicants will need to clearly demonstrate the connection between your child's need, our school and how our school (Cookridge Primary) can meet your child's needs in a way that no other school can. It must be supported by professional evidence.

A request would not be granted where a parent wishes for their child to attend based on the child's abilities, because their friends attend the school or due to childcare arrangements. Any request for this priority must outline why the child's circumstances are exceptional, and why only our school is suitable.

You must provide the following information with your application:

- your child's name, date of birth and address
- the name of the one school you are requesting this priority for
- what precise support your child requires due to their specific needs
- why only our school can provide the support needed to meet your child's needs and no other can
- what extra support or funding your child currently receives
- you must attach supporting evidence from an independent professional, such as a medical specialist which confirms exactly what your child's needs are and why, in their view, only our school can meet that need. Without this evidence, your child's needs cannot be considered

Cases will be considered individually by the school on behalf of the governing body.

Priority 3 – Children who have a brother or sister attending the school

To get this priority, the sibling must:

- live the same address as the child applying
- still go to our school when the child applying starts (in September)
- be a full, half, step or foster sibling (this priority does not include cousins or other family members sharing a house)

Priority 4 – Children who have a parent/carer employed by Cookridge Primary School at the time of application

- where the member of staff has been employed at the school for two or more years at the time at which the admission to the school is made, and/or
- the member of staff is recruited to fill a vacant position for which there is a demonstrable skill shortage

Priority 5 – Children who live in the catchment priority area for the school

We will give priority to applicants who live in the defined catchment priority area for the school. The map showing the defined catchment priority area for Cookridge Primary School is shown at the end of the policy as *appendix 1*.

You can apply for **any** school but if you live in our catchment area it means your application will receive a higher priority at our school than applicants who live outside the catchment area.

Living in the catchment area does not guarantee a place at our school.

Priority 6 – other children, by straight line distance

If none of the other priorities apply, your application will be considered under this priority.

If children meet the same priority (tie break)

In any priority, if children meet the same priority but there are not enough places left for all of them, the places will be allocated based on distance from the school. For example, if there are 4 places remaining at the school and 5 children all live in the priority catchment area, the 4 priority catchment children living closest to the school will be allocated those places.

The Local Authority use a straight line distance system. The program measures the straight line distance from a defined point on the main school building to a defined point on your home address. The point the Local Authority measure to at your home address is set by the Local Land and Property Gazetteer (LLPG), which provides coordinates for every property. If they are not able to match your address with the LLPG then we will identify a point at the centre of your home.

If two or more children live exactly the same distance from the school (i.e. in a block of flats) and there are not enough places for both, the Local Authority will draw lots. This will be witnessed by an independent person.

We will not draw lots for twins or other multiple birth siblings from the same family. Where they are tied for the final place we will admit them all, exceeding the Published Admissions Number for the school.

Address

For admission purposes, the home address is the child's permanent address, where the child usually lives with their parent or carer.

You must not use any other address on your application, including using the address of a childminder or relative or renting a property for a short period of time as this could be considered as using a fraudulent address. We will investigate any queries about addresses and, depending on what we find, the school place offer could be withdrawn.

Only one address can be used on your application for a school place. Where **shared care arrangements** are in place, both parents must agree which address will be used on the application, and this should be the address where the child lives for the majority of the school week. If no joint declaration is received by the closing date for applications, the Local Authority will determine which address will be used, based on where the child spends the majority of the school week. In instances where the child spends equal time with each parent, the home address will be taken as the address where the child is registered with the doctor.

When we make an offer, we assume your address will be the same when you take up the school place in September. If you plan to move house, you must still use your current address on your application. As soon as you move house, you must tell us your new address, providing proof of your house move (including evidence of entry to the new address and exit from the old address) as this may mean we have to change the school place offer.

If it is found that an intentionally misleading or false address has been given with the aim of fraudulently securing a school place, that place may be withdrawn even if the child has already started at the school.

Parental Disputes

Parental responsibility gives both parents important legal rights and responsibilities including involvement in decisions about which schools to preference. Both parents should agree the details of the applications, including the address to be used, which schools to be applied for and which parent submits the application. Where we receive two conflicting applications, we will need to obtain written evidence that all those with parental responsibility agree the application or a Court Order specifying who should apply. Until we receive this relevant evidence, we will be unable to process the application further and places may have to be offered to other applicants.

Late Applications

If you return the preference form after the deadline (15 January 2022) we cannot guarantee to consider your preferences at the same time as those received on time.

Late applications will be administered in accordance with the Leeds City Council Co-ordinated scheme and we will adopt any late date they use.

Accepting Offers

Parents will be asked to accept the offer of a place directly with our school. This will not affect your position on any waiting list for a higher preference, or the right to appeal. Parents who do not wish to accept the offer, or do not accept the offer within a reasonable time, may have the place withdrawn. This may leave your child without a school place.

Waiting List

After offers have been made in April, you can ask for your child to go on the waiting list for any school.

If you ask that your child is added to a waiting list after offer day and a place becomes available before the new school year starts, your child will automatically be allocated the place at your higher preference school. We will also automatically withdraw the place at a lower preference school to give it to another child.

We hold waiting lists for all the year groups as follows:

- your child's place on a list is decided by the oversubscription criteria in the school's admission policy (the rules for prioritising places)
- each time a child is added or removed, the list is ranked again and your child can move down if another child meets higher criteria
- the waiting list will close at the end of the academic year (July 2023). You must reapply for a new school place to be on the list the following year
- looked after children, previously looked after children and those allocated a place at the school in accordance with a Fair Access Protocol take priority over those on a waiting list

Temporary School Site

If a school has to move to a temporary site for any reason, such as the building being damaged by a fire, distance measurements will be based on the school's permanent site.

Starting Reception Age

Children are expected to start primary school in the September following their 4th birthday. Parents must ensure their child receives an appropriate full-time education from the term following their 5th birthday. Parents can request that the start date for their child is delayed until later in the school year in the case of children who have not yet reached their 5th birthday, however where a place has been offered, this must be taken up by the beginning of the term after the child's 5th birthday, or at the latest, the start of term after the Easter break.

You can also request that your child attends part-time until he/she reaches compulsory school age. You should discuss delayed or part-time attendance with the Head teacher.

Admission out of chronological age (including deferment for summer born children)

A request may be made for a child to be admitted outside of their normal age group, for example if the child is gifted and talented or has experienced problems such as ill health. In addition, the parents of a summer born child (a child born between 1st April and 31st August)

may request that the child be admitted out of their normal age group, to Reception rather than Year 1.

Parents should apply in the normal admission round and also submit a written request addressed to the Head teacher on behalf of the Chair of Governors specifying why admission out of normal year group is being requested and the year group in which they wish their child to be allocated a place.

When such a request is made, the Governors will make a decision on the basis of the circumstances of the case and in the best interests of the child concerned, taking into account the views of the Head teacher and any supporting evidence provided by the parent.

There is no right of appeal against a decision relating to admission out of chronological age.

Applications outside the normal admission round (in-year applications)

All applications outside the normal admission round should be made using an in-year application form (ICPF) which is available from Leeds City Council.

The application should be made to Leeds City Council Admissions team who will then notify our school about the application. Our school will contact you directly to confirm whether we can offer a place. If our school is full you will be offered a right of appeal and will be added to the waiting list.

Where a vacancy arises, places will be offered based on the published oversubscription criteria within this policy.

Where no house move has taken place, you will be offered a place to start at the beginning of the next term, unless no other accessible school place is available to you.

You can find out about vacancies in schools on <https://www.leeds.gov.uk/schools-and-education/school-admissions/moving-schools>

Appeals

If you apply for a place at our school and an offer cannot be made, you have the right to appeal against the refusal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

Appeals in the normal admission round - appellants should contact education.appeals@leeds.gov.uk or PO Box 837, Admissions, Leeds City Council, LS1 9PZ. Information on the timetable for the appeals process is on the website at <https://www.leeds.gov.uk/schools-and-education/school-admissions/school-appeals>

Appeals for applications made in the normal admissions round will be heard within 40 school days of the deadline for lodging appeals.

Appeals against a decision for a transfer of school place, outside the normal admission round, can be submitted any time during the academic year. Appeals will be heard within 30 school days of the appeal request being received (where the in-year application has been processed and the right of appeal has been issued).

Fair Access Protocol

All schools have an active role in admitting pupils under the Fair Access Protocol. The protocol operates outside the boundaries of the Admissions policy. It is a statutory requirement and the Protocol applies to all Leeds schools. The aim is to make sure the most vulnerable children are offered a place at a suitable school as quickly as possible, and that no school, including those with places, is asked to take a disproportionate number of vulnerable children. Leeds City Council's Fair Access protocol can be found at <https://www.leeds.gov.uk/schools-and-education/school-admissions/before-you-move-schools>
