

**Children are born with a natural curiosity and a desire to learn.**

**It is an eagerness to explore, discover and figure things out.**

**The more explorative a child is, the more they learn. Nurturing this curiosity is one of the most important ways we can help children to become life-long learners.**

## Our Vision

At Cookridge Primary School we recognise this innate desire to learn, creating a learning provision that cherishes each child as an individual, with their own special talents, interests, characteristics and part to play in society.

We are passionate about making a difference every day and believe that our children should be at the heart of everything we do.

The environment and curriculum we provide creates learning that is fun, active and personalised, inspiring all to achieve their very best.

## Our Vision

**As a school, we welcome families from diverse faiths and cultures, and work with them and the local community to provide the very best for any child.**

**In partnership with parents, we aim to educate children who are able to love and care for others and see learning as an exciting, challenging and integral part of life.**

**We want our children to aim high with a tradition of pride in what they and others do, creating a school community that is happy, caring and one that moulds our future society into one to be proud of.**

**We want children to know that it is normal to make mistakes, secure in the knowledge that we will support each other along our journey of discovery.**

## Cookridge Primary School: Child Protection

### The safety of children is our number 1 priority!

If you are concerned about a child and would like to speak to someone please speak to a Designated Officer.

**CHILDREN:** are you confused, worried or just need to speak to someone?

Speak to our Designated Officers.

# Reception Classes/Family groups

Within the first three weeks the children will be allocated a family group. Groups will be decided based on friendships, preferred learning styles and need (*Parents will be informed when the groups are established*).

The children will then get to name their family group.

Discreet teaching of phonics and maths will take place in these groups once good learning behaviours have been established.

It is important to note that the family groups will remain fluid according to the needs of the children, which means they may change around a little throughout the year. But please be reassured that if this happens parents will be informed of any changes.

## Early Learning Goals

- Through out reception, staff will use the Development Matters to help monitor children's development.
- By the end of Reception children will be assessed using the Early Learning Goals (ELGs)
- This document can be found under 'Useful Links' section on the 'New Starters' Page on our website -

**Exciting, real-life projects**

**Strong links with parents**

**Forest schools: outdoor investigation**

**Motivating and inspirational**

**We have the responsibility to give an education promoting lifelong learning combined with a thirst for knowledge, inclusion for all, knowledge and understanding of life and how to deal with its problems.**

# Transition to Reception

## **Optional Parent/Carer meeting**

Meetings will take place at school with Mr Kerr on 14<sup>th</sup> July. This is a meeting for those parents who feel they need a more detailed discussion about their children. Please sign up on the parent form on the website to book a time slot that is convenient to you.

## **Stay and Play sessions**

It is vital that your child is comfortable and happy in their new school environment. To help with this, we hold stay and play sessions where your child is gradually eased into school life. Stay-and-play sessions will take place on the 18<sup>th</sup> and 19<sup>th</sup> July.

## **Teddy Bears' Picnic Wednesday 20<sup>th</sup> July**

We ask you to bring a picnic (snacks for your child/ren), and a teddy bear (or toy of your choice) and we will enjoy food, stories, games around the fire. It would be a good opportunity for your child to meet other children and for you to meet other parents.

# Lunchtimes

- We usually run a family service at Cookridge Primary School. This helps to develop friendships and promotes independence.
- We are a Healthy School and we encourage all children to enjoy the balanced meals that we provide.
- Universal Free school meals are provided for all children in Reception, Year 1 and Year 2.
- If your child has specific dietary needs or requirements please confirm this by writing it down on the admissions form.

The menu can be found on the school website

# Celebrating Success

We use an online profiling system called Tapestry. This programme allows you to access to your child's learning profile. In addition you can add your own observations of learning and experiences that take place outside of school.

To see your child's profile, you must provide us with the email addresses of everyone you'd like to access it. A form is available on our website that enables you to provide us with this information.

Over the course of the year we will aim to hold workshops directed at supporting parents with children's learning, for example, How to use Tapestry and Phonics, followed by Achieving the early learning goal in writing, later on in the year.

# **Safeguarding**

## **Social Media**

**Tapestry is a vital online tool that allows us to track your child's progress. You will receive posts with pictures of your child working alongside others. Please do not publish any picture on social media that you receive on Tapestry if it contains another child.**

**If you have any concerns with anything at all, come and speak to us as soon as possible. Often matters can be quickly resolved by speaking to those that can instantly make a difference. We work very hard to do the best by our children and by you.**

# Special arrangements

Whilst we are making every effort to ensure everyone's safety during these difficult times, we also need your help.

1. Please do not send your child to school if they feel unwell in any way.
2. If you receive a call saying your child feels unwell, please collect them immediately.
3. Please teach your child to wash their hands thoroughly and regularly.
4. Please teach your child how to sneeze or cough safely, i.e. into their sleeve or a tissue if they have one.

**We're here!**

The Reception team are working hard to ensure our new children are supported and comfortable in their transition to Reception. We are also here to answer any questions or concerns that you may have:

**Thank you.**
