

Applying for secondary school (year 7) places for September 2023

Applications for children due to start in year 7 in September 2023 are made in advance following a national timetable. You can find all the information you need on our website.

Our YouTube video explains the key application steps to help you make the best application for your child. You can watch it at:

<https://youtu.be/WRU1SrS7iJE>

We also run some virtual advice sessions on the [Leeds City Council social media pages](#). These will be on

- Monday 26 September at 1pm
- Friday 14 October at midday
- Tuesday 25 October at 2:30pm

If you have any questions, you can contact us by phone 0113 222 4414 or by email: startingsecondary@leeds.gov.uk

Frequently asked questions

When and how do I apply?

Applications are open between 1 August and 31 October 2022 (national closing date). There is no advantage in applying early, all applications made by the national closing date are treated equally.

If you live in Leeds, you apply online at www.leeds.gov.uk/apply. We will work with other local authorities if you ask for schools in their area.

If you don't live in Leeds, you must apply to your home local authority (whoever empties your bins) but you can still ask for Leeds schools.

Do I have to include 5 schools?

You should apply for 5 schools to give your child the best chance of getting a place at a school you want. Asking for only 1 school, or the same school 5 times, does not increase your chances of being given a place at that school.

You need to list the schools in your order of preference when you apply. Schools don't know your preference order so this doesn't have any impact on whether your child will be offered a place.

On offer day if a place is available at more than 1 school on your list, we offer you the highest school on your list.

How do I check if my address gives priority for any Leeds schools?

You can check this on our website www.leeds.gov.uk/apply. If you live in a school's catchment area, we recommend you include it as 1 of your 5 preferences.

Not all schools have catchment areas. Living in a school's catchment area does not guarantee your child a place at that school, it provides a higher priority for admission to that school.

Make sure you use the right address

It is a crime to use a false address in your application. Every year, we see applicants using fraudulent addresses such as the address of a childminder or relative or even renting a property close to a popular school for a short period of time. These are all fraudulent addresses.

We do checks and if an application is found to be fraudulent or intentionally misleading, we will withdraw the offer of a place, even if a child has started at a school. Find out more at www.leeds.gov.uk/apply

How to do I know if my child has a reasonable chance of being offered a place?

Each school has its own set of rules which are used to decide which children to offer a place to. This is called their admissions policy.

You should read the admissions policy for each school you want to apply for. This will help you to check what chance your child has of getting a place. You can check the admission policy criteria at step 4 on our website www.leeds.gov.uk/apply. To work out whether your child has a good chance of getting an offer at a school, you should

- check which priority of the admission policy your child falls under and
- check if children in that same priority got a place in previous years

How do I check if I need to provide extra information?

If you think your child should get a place due to a specific admissions criteria, you may need to submit extra information to support your application. This evidence must be received by 31 October.

You may need to submit extra information if your child:

- has spent time in care (fostered, adopted or looked after)
- needs to show proof of religion – send directly to the school
- qualifies for a specific admissions criteria

If I only provide 1 preference and you can't offer my child a place at this school, will you allocate me a place at my local or closest school?

No. We can't do this as we're not allowed to reserve places. Places will be given to those who ask for them, this means your local school places may be full, allocated to children who listed the school as a preference.

My neighbour's child qualified for a place last year, so won't my child be guaranteed a place at the same school?

No child is guaranteed a place at any school. Your neighbour's child may have met different admission criteria, or there may have been a different number of applications that year.

You should look at the school's admission criteria to help you decide if there is a reasonable chance of your child being offered a place.

Do I need to apply if my child has a sibling?

Yes, you still need to apply. Not all schools provide a higher priority for siblings. Siblings in year 11 or at a sixth form may not be included in the admission policy definition.

You should read each school's admissions policy to see if your application will meet their sibling criteria. Make sure you include sibling information on your application.

How do I find out more about a school?

Schools may hold open days or have virtual tours. Look at each school's website for more information or contact them to ask questions.

How will my child travel to school?

Think about how your child may travel to school. Bus routes may be withdrawn or changed at any time. School buses fares will apply.

Only a small number of children are entitled to free travel assistance. The fact that an older sibling had a free bus pass does not mean your child will automatically be eligible for one. To see whether your child might qualify for travel support, read the Leeds Children's Services Transport Policy www.leeds.gov.uk/schooltransport Your 'nearest qualifying school' under the transport policy may be different to your nearest school for admission purposes.

Some school bus services require a Priority PhotoCard in addition to the bus fare. The PhotoCard entitles the pupil to a place on the bus service named on the card. There are annual closing dates to apply for / renew a PhotoCard each year. If you apply after the closing date, there may not be any spaces remaining on the bus service your child needs. Find out more at [Secondary school application form | Metro \(wymetro.com\)](http://www.wymetro.com)

What happens if my circumstances change after I apply?

You need to tell us immediately if there are changes in your circumstances that affect your application **before your child starts at the school**.

You must let us know if:

- you have moved home
- your child's sibling has left or joined a school you've applied to
- your child has left a feeder school

If you do not tell us about changes, we may withdraw your school offer. If you're unsure if a change affects your application, please contact us.

What happens if we are expecting to move home after the national closing date?

You should apply by the deadline date from your current address

You must tell us as soon as you move home and send us all the address evidence we need. The address evidence we need is listed here

<https://www.leeds.gov.uk/schools-and-education/school-admissions/making-changes-to-your-application>

You can send this as soon as you have it, but no more than a month after you've moved. If you want us to amend the application before offer day, we must receive all your address evidence, and any new school preferences, by 31 December 2022.

If you **live outside the UK** and are planning to move to Leeds soon, you can apply for a Leeds year 7 school place in advance, but we need to use your international address until your child has arrived in Leeds. You will need to provide us with address evidence when your child arrives in Leeds.

When do we find out what school place our child has been offered?

We offer secondary school places on 1 March 2023 (national offer day).

If you applied through our online application portal, we'll email you with your child's offer. We'll send the email during the working day.

If you applied in any other way, you'll receive an offer letter to your registered home address (a few days after offer day).

What happens if I apply after the national deadline?

Applications submitted after the deadline may be treated with a lower priority than applications submitted on time. If you submit your application:

- between 1 November and 28 November, most Leeds schools will treat the application as on time. Check if this date applies by reading the school's own admissions policy – it will set a later date or state the LA coordination scheme applies to the policy
- between 29 November and 31 December, your application will receive a lower priority than those submitted on time - unless we agree you had exceptional reasons for missing this date. You will get an offer on national offer day
- on or after 1 January 2023, you will not receive a school offer until April 2023 after all other school places have been given out on offer day

If you have exceptional reasons why you could not submit your application by 31 October, you must tell us by email. Not receiving a reminder to apply is not an exceptional reason.

I am thinking about home education for my child, where can I find out more?

Teaching your child at home, instead of sending them to school full time is called elective home education. If your child is of compulsory school age (between 5 and 16 years old) and you want to teach them at home, you should contact us for more information, please phone 0113 378 5028 or email EHE@leeds.gov.uk

You can teach them yourself or employ a tutor to support you. You will be fully responsible for making sure that they receive a suitable, full-time education for their age, aptitude and skills and special educational needs (if any). If you educate your child at home, you will not get any financial help from us.

We need to safeguard all children and to make sure they are getting a suitable education at home. To do this, we will arrange a home visit at least once a year to see you and your child and we will ask you to provide an education plan.

You can read more about home education here:

<https://www.gov.uk/government/publications/elective-home-education>

Useful numbers and contact details

School Admissions: www.leeds.gov.uk/apply. You can phone 0113 222 4414 or email us at startingsecondary@leeds.gov.uk

School Transport: Application forms, guidance notes, the Leeds Children's Transport policy, under-16 photocards and information about bus travel can be obtained at: <https://www.wymetro.com/schools/your-school/>

If you need information on your 'nearest qualifying school' or have other general school transport questions, please contact the Leeds Education Transport Assessment Team on 0113 348 1122 or educationcustomerservices@westyorks-ca.gov.uk.

Elective Home Education: For information on Elective Home Education go to <https://www.leeds.gov.uk/schools-and-education/composite-prospectus/home-education> or phone 0113 378 5028

School meals: For information and to apply for free school meals go to <https://www.leeds.gov.uk/schools-and-education/apply-for-free-school-meals> or phone 0113 222 4404

School uniforms and other expenses: Please contact the school your child will be attending for information about help with school uniforms. There is also the [Leeds school uniform exchange](#)

Special Educational Needs Information: For children with an existing Education, Health and Care Plan (EHCP) parents should contact their SEN casework officer by phone 0113 378 5256.

For general information and advice, Leeds SENDIASS offers confidential, impartial, free, high-quality information, advice, and support to families whose children have Special Educational Needs. You can find out more at <https://sendiass.leeds.gov.uk> or you can contact them by phone 0113 378 5020 or email sendiass@leeds.gov.uk

Family Information Service: For information on childcare, you can find out more at <http://familyinformation.leeds.gov.uk>. You can contact the Family Information Service by phone 0113 378 9700 or email family.info@leeds.gov.uk
