

## UKS2 Learning Log Homework-Autumn -2022

Please find below a list of activities related to our new topic: **Natural Disasters**. These activities are entirely optional but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Create your own volcanic eruption using Mentos and Coca-Cola.	Research and explain the impact of the Eyjafjallajökull (Iceland) volcanic eruption in 2010.	Create an experiment that represents the different tectonic plate movements.
History	Create a timeline of significant natural disasters from around the world.	Research the volcanic eruption that wiped out the city of Pompeii.	Create a PowerPoint or presentation that compares 2 different natural disasters.
Geography	Label a map of volcanoes around the world.	Draw and label a cross section of a volcano.	Write a diary entry from the point of view of a child who has survived a natural disaster.
Art/DT	Create a piece of artwork that represents a natural disaster.	Design and build an earthquake resistant building.	Create a model volcano using materials of your choice.

Please hand in any homework done from the grid above to your child's class teacher so all the team points can be calculated.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
