

UKS2 Learning Log Homework-Autumn 2 -2022

Please find below a list of activities related to our topic: **Natural Disasters and Electricity**. These activities are entirely optional but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Create a fact file about a key individual in the field of electricity.	Draw a circuit diagram to show a room in your house.	Can you create the 'Lemon Battery experiment'?
History	Can you list 5 long term and short term impacts of a natural disaster of your choice.	Draw a Venn Diagram comparing a primary and secondary source about a natural disaster of your choice.	Write a diary from the point of view of a child in the San Francisco earthquake in 1906.
Geography	On a world map, plot five different natural disasters.	Create a tectonic jigsaw of the world.	Create a topographic map of the Mount St Helens eruption in 1980 for before and after.
Art/DT	You have lost gas and electricity, can you create a meal that doesn't require cooking?	Can you design and annotate a flood defence system?	Create a piece of art work in the style of Jave Yoshimoto using resources of your choice.

Please hand in any homework done from the grid above to your child's class teacher so all the team points can be calculated.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
