

LKS2 Learning Log Homework - Spring 2 - 2023

Please find below a list of activities related to our on-going topic: **Romans** alongside some resources that may help them to complete the tasks. These activities are **entirely optional** but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Draw a model of the mouth and label on the different teeth.	Draw a food chain that you would find in one of these habitats: rainforest, forest, sea. Can you label on the source, prey and predators?	Can you create a model of the digestive system using recycled materials? Can you label it?
History	Can you identify five towns that the Romans advanced in Britain?	Write a paragraph to answer the following question: How did the Romans change Britain?	Can you create holiday brochure to convince someone to visit a Roman city?
Geography	Define human and physical geography.	Choose a European city and write five facts about its physical features, and five facts about its human features.	Draw a sketch map of our local area, with a compass. Use the OS map below to help you.
Art/DT	What is seasonality?	Design a menu for a Roman banquet. Try to incorporate the food groups.	Can you build an amphitheatre?

Please hand in any homework done from the grid above to your child's class teacher on a Friday so team points can be calculated and their work shared and celebrated in assembly.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
