

## KS1 Learning Log Homework-Summer 2-2023

Please find below a list of activities related to our topic: These activities are entirely ***optional*** but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

| <u>Subject</u> | <u>1 Team Point Activities</u>  | <u>2 Team Point Activities</u>   | <u>3 Team Point Activities</u>   |
|----------------|---|--|--|
| Science        | Can you write down what a plant needs to grow and stay healthy?                           | Can you research and find out 3 facts about a seed? Write them down to show your teacher!  | Can you create a poster about the life cycle of a plant?   |
| History        | Can you name the 4 types of evidence we use to find out about the past?                   | What were seaside holidays like in the past?   | Can you compare seaside holidays today with seaside holidays in the past? Is anything the same?                  |
| Geography      | What is a human feature? What is a physical feature?                                      | Can you name 3 human and 3 physical features in our local area?  | Can you make a map of a seaside town in the UK?  |
| Art/DT         | Can you draw/paint a picture of a seascape- think about the different tones of the water. | Create your own beach safety flag or poster for the RNLI.<br> | Make a seaside in a jar.<br> |

Please hand in any homework done from the grid above to your child's class teacher when we return to school so all the team points can be calculated. Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
