LKS2 Learning Log Homework – Summer 2 – 2023

Please find below a list of activities related to our on-going topic: **Europe** alongside some resources that may help them to complete the tasks. These activities are _**entirely optional**_ but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

Subject	1 Team Point Activities	2 Team Point Activities	3 Team Point Activities
Science	List the main things a plant needs to survive	Find a flower in your garden, the park or near your house. Can you draw it and label the parts?	Create a presentation explaining the life cycle of a plant. You can present it how you like – a powerpoint, a poster, photographs…
History	Can you find out the name of the oldest building in Europe? If you can, look it up and have a go at drawing it!	Write at least 8 sentences using some of our key words: invasion conquer empire reign rule	Why was the French Revolution so important? Have a go at answering this question in a paragraph, using knowledge from your history lessons as well as your own research.
Geography	Write down as many European countries as you can remember. Try not to use a map or the internet!	List 6 European landmarks, including the country where they are found. Can you draw pictures of them?	Choose 5 food items from your kitchen. Can you see on the label where the food came from? Which foods travelled the furthest?
Art/DT	Choose a country and sketch its flag.	Find some scrap material at home. Draw the outline of a country and have a go at cutting it out!	Can you use recycled materials to build a European landmark?

Please hand in any homework done from the grid above to your child's class teacher on a Friday so team points can be calculated and their work shared and celebrated in assembly.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.
