SIGNING OUT YOUR CHILD: INFORMATION FOR PARENTS

PLEASE PASS THIS TO YOUR PARENTS/GUARDIANS

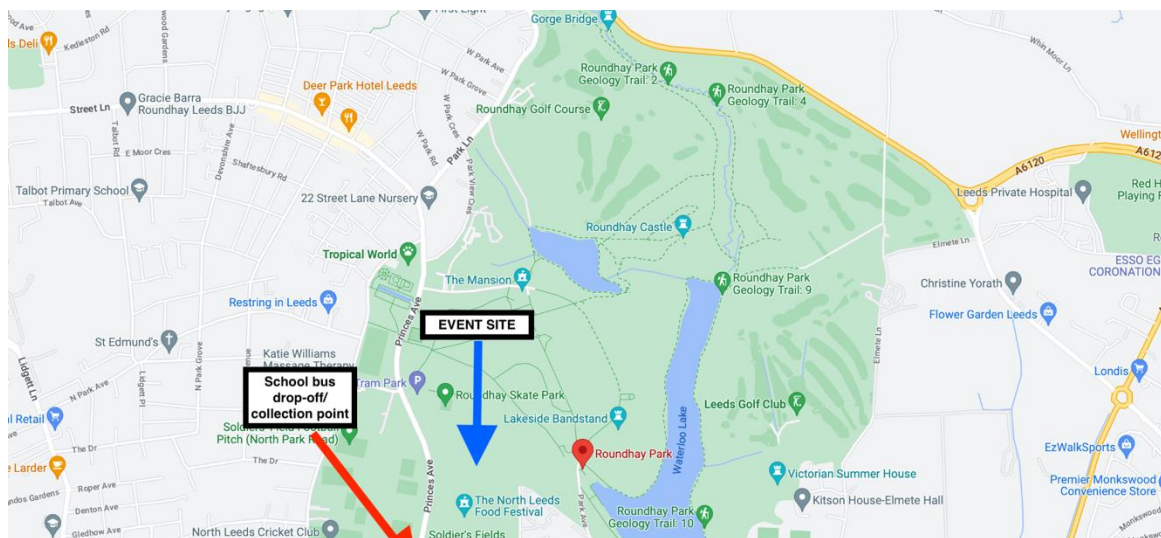

WHAT WILL HAPPEN WHEN YOU ARRIVE?

- If you are walking: you can enter the site from any direction. Our team will be across Soldier's Field directing parents to the sign out point. If in doubt, find a volunteer in their blue uniforms – they will be happy to help. You can see the Sign Out point on one of the maps below.
- If you are driving and parking on site: You will be directed out of the carpark and onto site where our team will direct you to the Sign Out Point.
- Remember that if you want to park on site, you must book and this is limited. On street parking is available on Mansion Lane.
- Our Sign Out Point for each school will include a flagpole and a symbol for your school – you can't miss them! But we will be on hand to help too.
- You do not need to show a ticket when you come to sign-out your child
- Your school is entirely responsible for signing out your child to your care.

WHAT HAPPENS NEXT?

- You are free to explore the site, buy some food and have a look at the work the children have been doing throughout the day – the children will show you the way!
- The evening programme starts at 8.30pm
- We strongly encourage everyone to say for the whole event to take part in the group song finale!
- You can view banners on Saturday during the daytime and if your child would like to keep their banner they can collect it between 6pm and 7pm from the site on that day.
