School

Cookridge Primary School

Name of Governor

Lynne Hunter

The Governing Board of each school is required by regulations made under the School Standards and Framework Act 1998 to establish a register which lists, for each member of the Governing Board and the Headteacher, any business or personal interests they have which could conflict with the school's interests.

Please make your declarations clear, if you have none, please strikethrough the box and write "none". It will need to be returned to the school business manager when you have completed it.

All interests are displayed on the school website and are renewed annually, unless you have a change, in which case you can complete a new form. If you have any queries, please contact the Clerk (Sue Hawkshaw) or the school business manager.

Financial interests: (Please provide details of the company and your position below or answer 'none')

- Are you involved in a company for example, directorships, company secretary, or any other position where a person is actively involved in the running of a company's affairs, where the company has, or may have, a contractual relationship with the school? (e.g. work for which a fee is received).
- Do you hold of shares or other securities, in a company or other body with whom the school contracts or is considering contracting? Declare if the holding exceeds £25,000 or more than 1/100th of the nominal value of the issued share capital, whichever is less. The size and nature of the holding need not be declared, simply the name of the company.
