

## LKS2 Learning Log Homework - Autumn 2 - 2023

Please find below a list of activities related to our on-going topic: **Leeds** alongside some resources that may help them to complete the tasks. These activities are **entirely optional** but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Make a record of each time you notice condensation in a day.  What causes the condensation each time?	Design your own states of matter poster.	Investigate melting and freezing at home.  Can you melt and freeze water, chocolate or butter?
History	Create a mind-map about Armley Mills and include all your favourite (and most interesting) facts.	Make a fact-file about Lawrence Oates and investigate his link to Meanwood (Leeds).	Create a fact-file of a famous person from Leeds.
Geography	Create a timeline or record of your day and label each physical or human feature you interact with.	Can you identify different types of land use in Leeds? Create a poster or piece of writing to show your findings.	Can you create a poster comparing England and Scotland? Include details about their physical and human geography.
Art/DT	Research a recipe that you think represents Leeds.	Draw a portrait of Lawrence Oates.	Build a 3-D model of one building in Leeds.

Please hand in any homework done from the grid above to your child's class teacher on a Friday so team points can be calculated and their work shared and celebrated in assembly.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
