

Ready For Christmas Day

Verse 1 It's a busy time for the North Pole Crew.
We work hard but there's so much to do!
Well, all these Christmas present lists need reading,
There are toys to make, the reindeer still need feeding!
The clock's tick-tocking and there's just no way
That we'll ever be ready for Christmas day!

Verse 2 Mrs Santa's spent a whole month sitting
In the corner doing nowt but knitting!
'Cause we've been sent a hundred thousand letters
And they're all asking for woollen Christmas sweaters!
(Mrs Santa holds up a typically tasteless Christmas jumper!)
The clock's tick-tocking and there's just no way
That we'll ever be ready for Christmas day!

Verse 3 We're all feeling so rushed off our feet.
We've got deadlines we can't hope to meet!
There's no-one here who really can remember
Such a busy 24th day of December!
The clock's tick-tocking and there's just no way
That we'll ever be ready for Christmas day!

Santa's On Strike

Verse 1

(Santa)

Well I've been watching my TV
So astonished at what I see!
Bad manners, lies and cheek,
The awful way that children speak!
'Please' and 'thank you' are never said!
It's got my goat! I'm seeing red!
So everybody, on yer bike!
'Cause this Christmas time.....I'M ON STRIKE!

(Santa parades round holding his 'I'm On Strike' placard.)

Verse 2

(All)

Well having read the daily news,
Poor old Santa's got the blues!
Another front page headline says,
"Horrid Little Tearaways!"
All you naughty girls and boys
Can just forget about new toys.
Every single little tyke,
Take a running jump.....HE'S ON STRIKE!

Verse 3

(Santa)

My festive cheer is wearing thin,
So tonight I'm staying in.
No more flying through the skies,
I'll just sit and eat mince pies!

(All)

Is there nothing we can say
To stop you spoiling Christmas Day?
We'll do anything you like,
Just change your mind.....

(Santa)

NO! I'M ON STRIKE!

(All)

HE'S ON STRIKE!

Pitching In, Helping Out

Chorus *Shoulder to shoulder with everyone,
Working together to get things done.
Well that's what Christmas is all about,
Pitching in and helping out!*

Verse 1 When the sink's full of pots and pans
And you've got a little time on your hands,
Grab a cloth, roll up your sleeves,
Give that Fairy Liquid a real good squeeze!
Now your mum has become
Relaxed – it's one less job to do.
And your dad is so glad
As he gives the rubber gloves to you!

Chorus *Shoulder to shoulder.....*

Verse 2 When your guests are nearly here
And there's still a great big mess to clear,
On your feet, don't lounge about,
Go and get the vacuum cleaner out!
Plug it in and begin
To bring a sparkle to the place.
As you zoom round the room
Mum's got a huge smile on her face!

Chorus *Shoulder to shoulder.....*

Verse 3 Too soon after Christmas day
Decorations need putting away.
Although it's not much fun,
It's one of those jobs that must be done.
But don't get too upset
As you take down each paper chain.
Never fear, in a year
You'll put them all back up again!

Chorus *Shoulder to shoulder.....*

Repeat *Well that's what Christmas is all about,
Pitching in and helping out!*

Puppies Are Not Just For Christmas

Chorus *Puppies are not just for Christmas,
We'd like to make it quite clear!
Rabbits and cats, guinea pigs, even rats
Need love every day of the year.*

Verse 1 With cute twitchy noses
Adorable eyes,
A pet as a present
Is a lovely surprise.
But be warned, from the minute they're born
They leave little presents all over your lawn!
Yes, some might howl all through the night,
And one or two like to give postmen a bite, but....

Chorus *Puppies are not just for Christmas.....*

Verse 2 They'll jump up to greet you,
They'll sleep on your bed
They'll give you a paw when
They want to be fed.
But they grow so big, don't you know,
They leave little puddles all over your home.
Though they woof and chew all your stuff,
You can't walk away when the going gets tough, 'cause....

Chorus *Puppies are not just for Christmas.....*

Repeat Chorus

Repeat *Need love every day of the year.*

Lots Of Fa-La-La

Verse 1 It's been a grotty day,
There's drizzle on the way,
An icy wind has chilled us to the core.
But still we've come out here
To bring you Christmas cheer,
Singing carols outside your front door.
We've got lots of.....

Chorus *Fa la la la, fa la la la,
Fa la la la, fa la la la,
Fa la la la, fa la la la,
Fa la la la la!*

Verse 2 We've sung 'The First Noël'
Which didn't go so well,
'Cause it's a song we haven't really heard.
And we will have to pass
On 'Good King Wenceslas',
We don't understand a single word!
So we'll just sing

Chorus *Fa la la la, fa la la la,*

Verse 3 So when we shake our tin
Please put some money in,
And we will send it where it's needed most.
Then we will go next door
And sing a little more,
Like a neighbourhood heavenly host!
We've got lots of.....

Chorus *Fa la la la, fa la la la,*

Repeat Chorus

Silent Night

Verse1 Silent night, holy night.
All is calm, all is bright
Round yon Virgin mother and child.
Holy infant so tender and mild,
Sleep in heavenly peace,
Sleep in heavenly peace.

Verse2 Silent night, holy night.
Shepherds quake at the sight.
Glories stream from heaven afar.
Heavenly hosts sing Alleluia,
Christ the Saviour is born,
Christ the Saviour is born.

Verse 3 Silent night, holy night.
Son of God, love's pure light.
Radiant beams from Thy holy face,
With the dawn of redeeming grace.
Jesus Lord, at Thy birth,
Jesus Lord, at Thy birth.

Give A Little Time

Verse 1 A warm and happy Christmas time
Doesn't reach every home.
We're sorry to say on this special day
Many will spend it alone, so....

Chorus *Give a little time,
Give a little sunshine.
Give it to somebody who
Would love to spend a little time with you.*

Verse 2 As you sit with family and friends,
Feeling the joy they bring,
Someone somewhere is wishing that their
Phone or doorbell would ring, so....

Chorus *Give a little time.....*

Verse 3 Opening our Christmas presents
Is such a lot of fun,
But what would be the best Christmas treat
That you could give someone? Well....

Chorus *Give a little time.....*

Repeat Chorus

Blast Off!

Chorus *Quick march! Haven't got a second to spare!
Look sharp! Got to get him up in the air.
Jump to it! Chocks away!
It's blast off for Santa's sleigh!*

Verse 1 Ho! Ho! Ho! We said Ho! Ho! Ho!
We need to clear some snow, 'cause here we go!
Come on Reindeer, take the strain,
Christmas is back on again!
We said Ho! Ho! Ho! Here we go!

Chorus *Quick march....*

Verse 2 Hey! Hey! Hey! We said Hey! Hey! Hey!
It's nearly Christmas Day, so on your way!
There's a real long night ahead
For our hero dressed in red!
We said Hey! Hey! Hey! On your way!

Chorus *Quick march....*

Repeat Chorus
