

UKS2 Learning Log Homework-Spring-2023

Please find below a list of activities related to our topics: **South America and Evolution and Inheritance**. These activities are ***entirely optional*** are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Create a step-by-step guide of 'How fossils are formed'.	Design your own magnificent animal include its habitat and how it is adapted to live in this environment.	Record and present your family tree. You could include pictures, names and details of historical members of your family.
History	Draw a map to locate key civilisations in South America.	Create a list of primary and secondary sources that could be used to develop an understanding of South American civilisations.	Create a fact file on a key individual who had an impact on South America.
Geography	Make a list of key human and physical features located in South America.	Work out the distance and time it takes to journey to five South American cities from Leeds.	Create a sketch map of the ancient Aztec city of Tenochtitlan.
Art/DT	Draw and label your own Incan war mask, highlighting key materials and features.	Design and create your own Mayan shield, spear or headdress.	Create a model of the South American continent, with key features.

Please hand in any homework done from the grid above to your child's class teacher when we return to school so all the team points can be calculated.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
