

KS1 Learning Log Homework-2024

Summer Term - w/b 15/04/24

Please find below a list of activities related to our new topic: **SPACE**. These activities are entirely optional but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Can you draw and label 8 planets?	Can you find 5 different things in your house made from a range of materials? Can you use these materials to create a planet?	Can you make a fact file about your favourite planet?
History	Can you find out 3 facts about the first man who walked on the moon?	Can you find out about an animal that has travelled to space?	Can you create a timeline of 3 key astronauts that have changed space history?
Geography	Can you take some aerial photos of 5 different objects?	Can you draw a simple map of what you think space looks like?	Can you create a 3D map of what you think space looks like?
Art/DT	Can you imagine what life is like on Space? Can you draw your imaginary space world?	Can you design a space suit?	Can you design and make a moon buggy that moves?

Please hand in any homework done from the grid above to your child's class teacher

Thank you for continuing to support your child's education.
