

UKS2 Learning Log Homework-Autumn 2025

Please find below a list of activities related to our new topic: **Ancient Greece**. These activities are entirely optional but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Create a fact file on the Greek scientist and mathematician Archimedes.	Create your own Spartan shield. Investigate which material is best to use and why.	Plan and carry out your own investigation to test Archimedes' displacement theory.
History	Create a timeline of key events from the Ancient Greek period.	Create your own mini-Olympics and carry it out with your family or friends - we'd love to see some pictures!	Create your own Greek God Top Trump cards.
Geography	Label a map of the Ancient Greek empire.	Draw your own labyrinth and create a set of instructions using the compass points to navigate the maze.	Compare and contrast the lives of citizens in Athens and Sparta.
Art/DT	Draw and label your own Greek God and explain their abilities.	Investigate Ancient Greek cuisine and create your own meal.	Create a model of a piece of Ancient Greek architecture.

Please hand in any homework done from the grid above to your child's class teacher when we return to school so all the team points can be calculated.

Thank you for continuing to support your child's education and we hope you enjoy the tasks.

Feel free to do your own activities and have fun!
