**25th February - 27th February 2026**

**Robinwood**

**Dobroyd Castle**

**Todmorden**

## All about Robinwood

- Three centers around the country.
- They provide 24/7 care to our school whilst we are there.
- The 3 day, 2 night residential course packs in 15 exciting activities providing the right balance by offering activities that will challenge, develop teamwork and stimulate the imagination.
- Each activity group has a Robinwood group leader, as well as a Cookridge staff member, who looks after the children throughout their 3 day course, running activity sessions and ensuring everyone achieves great things, whilst at the same time having fun.
- Everything at Robinwood is designed to make a really positive difference in the development of each child that attends.
- Each day and activity is adaptable to the needs, feelings and achievements of the group.

Why do we go back every year?

Quotes from staff and pupils.

Children learn and work together in a different environment.

I conquered my fears.

I made new friends!

I've learnt I can achieve anything if I try new things and push myself.

I don't want to go home!

Some children who are quieter in the classroom succeeded well beyond what had been expected.

# Accommodation

There is plenty of accommodation on offer!

There are three blocks that are used for pupils and teachers as well as the castle and a new, fully refurbished 'cottage' on offer.

Rooms can sleep up to 12 children in bunk beds and each room has a sink. If a child needs the toilet during the night, they can leave their room and use the toilets located on their floor. Showers are located in the 'changing area' and all children have the opportunity to shower daily. Although we cannot force children to shower, they will be actively encouraged to after a long day of activities!

# Meals

On arrival, every pupil chooses their meals.

Breakfast

A choice of toast, cereals, fruit, yoghurt and a cooked breakfast. Pupils can 'build their own' and mix and match!

Lunch

There is always a hot or cold option, as well as fruit, crisps and a biscuit.

Tea

A two course meal that fills everyone up after a day of

Allergies, vegetarians, fussy eaters? No problem!

Robinwood caters for everyone. It's a nut free center and all medical information is collated to ensure there's no risk of allergies. There's always two vegetarian options to choose from and any specific dietary needs are catered for as well.

# Clothing

Every child receives a helmet  
for the required activities.

Kit bags contain waterproof overalls, a  
woolly hat and a pair of gloves. Children can  
also place their own clothing in them.

There are magical red wash bins. During the  
day, dirty clothes go in. The next morning,  
they are washed and dried.

There is a lost property on site. Inevitably,  
some items of clothing do occasionally get  
lost. However, if they are named, most are  
returned before we leave.

**11) Suggested Clothing List**

There is no need to go out and buy anything special for a trip to Robinwood, all specialist equipment is provided for our on-centre activities.

The clothing list given includes clothing being worn on the journey, so for example assuming you are wearing socks and underwear on your journey to Robinwood, you only need to pack 5 pairs of each!

- 3 T-shirts (not vest type)
- 3 Sweatshirts/Jumpers/Hoodies/Blousons (long sleeve)
- 3 Pairs of trousers
- 2 Pairs of shorts (Knee Length)
- 6 Sets of underwear
- 6 Pairs of socks
- 1 Pair of trainers
- 1 Pair of outdoor shoes/boots
- 2 Towels
- 1 Coat (dusty waterproof, required for walk to and from centre)
- 1 Warm woolly hat
- 1 Pair of gloves
- 1 Set of nightwear
- 1 Bag of toiletries (including suntan lotion/insect repellent in warm weather)
- 1 Bag on liner

**PLEASE ENSURE THAT YOUR CHILD IS DRESSED APPROPRIATELY WITH SUITABLE FOOTWEAR FOR AN INITIAL WALK TO THE CENTRE/INITIAL ACTIVITY (APPROX 1-2 MILES DEPENDING UPON CENTRE)**

**Notes on the suggested clothing**

1. We have a drying facility and also provide a laundry facility for children's clothing at Robinwood. Wash and dry clothing and wash bedding on a 30 degree cycle and dried in a tumble drier. Please do not bring any new or expensive clothing, or any items which cannot be tumble dried. Please note that for water activities on the last day we cannot always offer this service.
2. As a result of the provision of specialist Robinwood clothing and the laundry facility offered, children do not need to bring much additional clothing with them. Keeping the clothing brought by children to a minimum helps us to reduce lost property.
3. Due to the nature of the activities it is possible that clothes may occasionally get damaged. All clothing should be suitable for use in an outdoor, and other inclement, environment. Old clothes are best, not new or expensive clothing.
4. Outdoor shoes/boots - Walking boots are great for this, but a strong pair of shoes would be suitable and trainers would provide ankles when appropriate.
5. Jeans are not suitable for our activities, as they are cold and restrictive when wet and difficult to dry. Leggings are not really suitable for outdoor activities, however trackpants or jogging bottoms are ideal, but other trousers would also be fine.
6. In hot weather sun lotion and insect repellent are strongly recommended. In cold weather it would be good idea to bring some warm gloves.
7. Please ensure, whenever possible, that items brought to Robinwood are marked with the child's name. It is really helpful if the school name can also be included. We do our very best to return all property to the children that it belongs to. This is made much easier if items are named.
8. Items NOT to bring
9. Please do not bring items such as mobile phones, any type of cameras (including disposables), computer games,

All pupils will receive a kit list around a month before we go.

After years of going, my advice would be....

layers

warm, old clothes

old trainers, walking boots

# Souvenirs

Again, around a month before we go, parents will receive a souvenir choice form. Return it to school

and the form is sent to Robinwood. The amount  
is added to parentpay.

Payment for the souvenirs has to be made before we leave for Robinwood.

On our final day, we are given a box with all the orders inside to bring back.

# DOs and Donts in suitcases

A teddy for bed

A notepad

A pen/pencil

A reading book

A water bottle

Think allergies.

Pupils have time in  
their rooms before  
'lights out.'

There are night lights  
on all night.

No tablets, phones, cameras. It's  
screen

free time!

# **Whilst there...**

There will be a daily post on the school website to update you with news and photos.

It's a Year 4 residential so we try to strike a balance between groups!

There will be no contact with home.

In case of emergencies, I will ring parents.

If you need to contact us, please phone the school office or Robinwood directly if out of school hours.

# **Activities - FAQs**

## **The Lake...**

It is man-made with no rocks or logs at the bottom. If children fall in, they can stand up.

## **Caving...**

The caves are man-made with hatches allowing access for instructors and children as required.

## **Piranha Pool...**

There are NO piranhas. But we don't tell the children that!

## **Heights...**

4 activities involve heights (zip wire, giant swing, trapeze, climbing) but children can choose their level.

## **The Walk...**

It's a bit of an uphill walk from the coach park! Sturdy walking boots/shoes and warm, waterproof clothing are a must!
