

KS1 Learning Log Homework

Spring 2 - 2026

Please find below a list of activities related to our new topic: **Africa**. These activities are entirely optional but are aimed to support and enhance children's understanding and enjoyment of our current topic. Children can present their work in any way they wish, be as creative as possible! We look forward to seeing some of your amazing creations.

<u>Subject</u>	<u>1 Team Point Activities</u>	<u>2 Team Point Activities</u>	<u>3 Team Point Activities</u>
Science	Make a list of animals you might find in Africa.	Label a picture of a fish and its features.	Make a table of which animals are mammals, birds, amphibians, reptiles, fish and insects.
ICT	List all the technology you find in your house.	Design your own robot. What will the robot be able to do?	Write an algorithm for a robot on how to fill up a water bottle.
Geography	Write some sentences about the differences between the UK and Africa.	Design your own African village and create a map of your village.	Write directions using the points on a compass from your house to school.
Art/DT	Design your own African pattern.	Make an animal mask.	Create a 3D African animal using either crafts, lego, or any other material you can think of!

Please hand in any homework done from the grid above to your child's class teacher.

Thank you for continuing to support your child's education.
